Dear Administrator Verma:

I am pleased to submit an amendment to the State of Utah's Special Terms and Conditions for the 1115 Primary Care Network (PCN) Demonstration Waiver. This amendment is a result of Senate Bill 11 "Medicaid Dental Coverage Amendments", which passed during the 2019 General Session of the Utah State Legislature. Approval of this amendment will allow the State of Utah to provide state plan dental benefits, as well as coverage of porcelain crowns, to Medicaid eligible individuals age 65 and older. It will also allow the State to provide porcelain crowns to Targeted Adult Medicaid beneficiaries who are eligible for dental benefits under the currently approved 1115 PCN Demonstration Waiver.

The State of Utah appreciates your consideration of this amendment request. We look forward to the continued guidance and support from CMS in administering Utah's 1115 PCN Waiver.

Respectfully,

A black rectangular box redacting the signature of Nate Checketts.

Utah Section 1115 Demonstration Amendment

Dental Benefits for Medicaid Eligible Individuals age 65 and Older

Porcelain and Porcelain-to-Metal Crowns

Section I. Program Description and Objectives

During the 2019 General Session, the Utah State Legislature passed, and Governor Herbert signed into law, Senate Bill 11 “Medicaid Dental Coverage Amendments”. This legislation directed the Utah Department of Health (UDOH), Division of Medicaid and Health Care Financing (DMHF) to seek 1115 waiver approval from the Centers for Medicare and Medicaid Services (CMS) to implement dental benefits for individuals who are aged 65 and older, as defined by 42 U.S.C Sec. 1382c(a)(1)(A).

This legislation also directed DMHF to seek authority to provide federal funds for porcelain and porcelain-to-metal crowns for both aged individuals and Targeted Adult Medicaid eligible individuals who are eligible for dental benefits under the State’s 1115 Primary Care Network (PCN) Demonstration Waiver.

With this amendment, the State seeks to implement the above provisions of Senate Bill 11.

Goals and Objectives

Dental issues in adults age 65 and older are common, and can directly affect an individual’s quality of life and severity of serious diseases.¹ Good dental health becomes very important in a population who may experience declining health as they age. Aged individuals experience an increase in tooth decay, with approximately 50% showing serious active decay in tooth crowns and roots. In addition, periodontal disease is the most frequent dental pathology found in the aged (68 %), leading to consequent gingivitis and moderate alveolar bone loss due to chronic inflammation.² Aged individuals also commonly experience tooth loss, dry mouth and oral cancer. Preventing these conditions can be achieved by routine daily oral care and access to professional dental services. The State believes by addressing routine dental needs of demonstration eligible individuals, severe dental issues can be avoided.

This Demonstration furthers the objectives of Title XIX of the Social Security Act by promoting improved health outcomes by addressing the dental needs of demonstration eligible individuals.

The primary objective of the amendment is to improve the dental health of individuals impacted by this demonstration.

Operation and Proposed Timeline

The Demonstration will operate statewide. The State intends to implement the Demonstration effective January 1, 2020. The State requests to operate the Demonstration through the end of the current waiver approval period, which is June 30, 2022.

Demonstration Hypotheses and Evaluation

With the help of an independent evaluator, the State will develop a plan for evaluating the hypotheses indicated below. Utah will identify validated performance measures that adequately assess the impact of the Demonstration to beneficiaries. The State will submit the evaluation plan to CMS for approval.

The State will conduct ongoing monitoring of this demonstration, and will provide information regarding monitoring activities in the required quarterly and annual monitoring reports.

By adding dental services to the benefits received by the Aged Medicaid Population, the Demonstration will improve health outcomes for beneficiaries by increasing preventive dental care and decreasing emergency dental services. The following hypotheses will be tested during the approval period:

Hypothesis	Anticipated Measure(s)	Data Sources	Evaluation Approach
Aged individuals in the demonstration will have increased utilization of preventive dental care and decreased utilization of emergency dental services.	<ul style="list-style-type: none"> Utilization of preventive dental services Utilization of emergency dental services 	Claims data	Independent evaluator will design quantitative and qualitative measures to include experimental or quasi-experimental comparisons
Targeted Adult individuals receiving porcelain crowns will have an improved rate of substance use disorder treatment completion compared to the treatment completion rates pre-demonstration.	<ul style="list-style-type: none"> SUD treatment completions rates prior to demonstration SUD treatment completion rates post demonstration 	Treatment Episode Data Set (TEDS) Claims Data	Independent evaluator will design quantitative and qualitative measures to include experimental or quasi-experimental comparisons

Porcelain crowns are considered an added benefit to the benefit package for aged individuals. As such, the impact of porcelain crowns will be evaluated with the identified hypothesis above identified for this population.

Section II. Demonstration Eligibility

Dental Benefits for Aged Individuals

Individuals must meet the following criteria to be eligible to receive state plan dental benefits under this Demonstration:

- Must be a Medicaid eligible individual who is aged, as defined in 42 U.S.C. Sec. 1382c(a)(1)(A), which is age 65 and older.

Porcelain or Porcelain-to-Metal Crowns

Individuals must meet the following criteria to be eligible to receive porcelain or porcelain-to-metal crowns:

- Must be a Medicaid eligible individual who is aged, as defined in 42 U.S.C. Sec. 1382c(a)(1)(A), which is age 65 and older; or
- Must be eligible to receive dental benefits as a Targeted Adult Medicaid beneficiary who is actively receiving treatment for a Substance Use Disorder (SUD), as approved under the State's 1115 Primary Care Network Demonstration Waiver.

Projected Enrollment

The projected enrollment for the Demonstration group is:

- Dental benefits for Aged Medicaid individuals: Approximately 9,000 individuals per year.
- Porcelain or Porcelain-to-Metal Crowns: Approximately 3200-3400 Aged Medicaid individuals per year, and approximately 350-400 Targeted Adult individuals per year.

Section III. Demonstration Benefits and Cost Sharing Requirements

The dental benefits provided to Aged Medicaid beneficiaries under this amendment will be the same as the state plan benefits provided to pregnant women and the Blind and Disabled populations.

Porcelain and porcelain-to-metal crowns will be a covered benefit for individuals eligible under this Demonstration, as detailed in Section II above.

Cost sharing requirements will not differ from those provided under the state plan.

Section IV. Delivery System

The Department will deliver services through a fee for service payment model and by contracting with an entity that:

- Has demonstrated experience working with individuals who are being treated for both a substance use disorder and a major oral health disease;
- Operates a program, targeted at the individuals described in this amendment, that has demonstrated, through a peer-reviewed evaluation, the effectiveness of providing dental treatment to those individuals;
- Is willing to pay for an amount equal to the program's non-federal share of the cost of providing dental services to the population described;
- Can guarantee access to care statewide.

At present, the only entity that qualifies to provide these services is the University of Utah School of Dentistry and their associated statewide provider network.

Section V. Enrollment in Demonstration

Eligible individuals will be enrolled in the Demonstration as of the implementation date of this amendment.

Section VI. Demonstration Financing and Budget Neutrality

Refer to Budget Neutrality- Attachment 1 for the State’s historical and projected expenditures for the requested period of the Demonstration.

Below is the projected enrollment and expenditures for each remaining demonstration year.

Aged Dental	DY 18 (SFY 20)	DY19 (SFY 21)	DY 20 (SFY 22)
Enrollment	9,000	9,225	9,456
Expenditures*	\$3,321,000	\$3,584,438	\$3,868,774

*Note- Includes expenditures for porcelain crowns for this group

Porcelain Crowns- Targeted Adults	DY 18 (SFY 20)	DY 19 (SFY 21)	DY 20 (SFY 22)
Enrollment	362	378	394
Expenditures	\$110,000	\$116,000	\$122,000

Section VII. Proposed Waiver and Expenditure Authority

The State requests the following proposed waivers and expenditure authority to operate the Demonstration.

Waiver and Expenditure Authority	Reason and Use of Waiver
Section 1902(a)(10)(B)- Amount, Duration, and Scope of Services and Comparability	To enable the State to vary the amount, duration, and scope of services provided to individuals in the demonstration group.
Section 1902(a)(23)(A)- Freedom of Choice	To enable the State to restrict freedom of choice of providers for the population affected by this demonstration.

Expenditure Authority

The State requests expenditure authority to provide state plan dental benefits to Aged Medicaid beneficiaries. The State also requests expenditure authority to provide porcelain or porcelain-to-metal crowns to Aged Medicaid beneficiaries and Targeted Adult Population individuals who are actively receiving SUD treatment.

Section VIII. Compliance with Public Notice and Tribal Consultation

Public Notice Process

Public Notice of the State's request for this demonstration waiver, and notice of Public Hearing were published in the Utah State Bulletin on May 1, 2019 and May 15, 2019. Public notice was also advertised in the newspapers of widest circulation on May 5th, 2019 and May 12th, 2019. Public notice was also sent to an electronic mailing list. Verification of public notice is contained in Attachment 2.

Two public hearings to take public comment on this request were held. The first public hearing was held on May 13, 2019 from 4:00 p.m. to 6:00 p.m., at the Multi-Agency State Office Building, located at 195 N 1950 W, Salt Lake City, UT. The second public hearing was held on May 16, 2019 from 2:00 p.m. to 4:00 p.m., during the Medical Care Advisory Committee (MCAC) meeting, at the Cannon Health Building located at 288 N 1460 W, Salt Lake City, UT. Telephonic conferencing was available for both public hearings. Meeting minutes from the public hearing held during the MCAC meeting are attached (Attachment 3).

Public Comment

The public comment period was held May 6, 2019 through June 5, 2019. The State did not receive any comments during the public comment period.

Tribal Consultation

In accordance with the Utah Medicaid State Plan, and section 1902(a)(73) of the Social Security Act, the State ensures that a meaningful consultation process occurs in a timely manner on program decisions impacting Indian Tribes in the State of Utah. DMHF notified the UDOH Indian Health Liaison of the waiver amendment. As a result of this notification, DMHF began the tribal consultation process by attending the Utah Indian Health Affairs Board (UIHAB) meeting on May 10, 2019 to present this demonstration waiver. Meeting minutes from the May 10th UIHAB meeting are attached (Attachment 4). Notes regarding the presentation and discussion are included in the attachment.

The consultation process will include, but is not limited to:

- An initial meeting to present the intent and broad scope of the policy and waiver application to the UIHAB.
- Discussion at the UIHAB meeting to more fully understand the specifics and impact of the proposed policy initiation or change;
- Open meeting for all interested parties to receive information or provide comment;
- A presentation by tribal representatives of their concerns and the potential impact of the proposed policy;
- Continued meetings until concerns over intended policy have been fully discussed;
- A written response from the Department of Health to tribal leaders as to the action on, or outcome of tribal concerns.

Tribal consultation policy can be found at: <http://health.utah.gov/indianh/consultation.html>.

Welcome and Introductions

UIHAB Chairperson, Lorena Horse, welcomed everyone starting the meeting at 9:08 a.m.

Approval of Minutes

Mike Jensen made the motion to approve the April 12, 2019 Utah Indian Health Advisory Board Minutes. Tyler Goddard Seconded that motion. The Board voted unanimously (5-0) to pass the April UIHAB meeting minutes.

The January 11, 2019 and March 8, 2019 minutes will be reviewed at a later UIHAB meeting.

Medicaid Aged Dental Waiver:

Nate Checketts and Jennifer Meyer-Smart discussed the Medicaid Aged Dental Waiver.

Medicaid Dental Coverage Amendments, which passed during 2019 Legislative Session. The provisions include:

- Providing state plan dental benefits to Medicaid eligible individuals age 65 and older (referred to as Aged Medicaid members).
- Adding as a covered benefit, porcelain or porcelain-to-metal crowns for Aged Medicaid Beneficiaries; and Targeted Adult Medicaid Beneficiaries who are eligible for dental benefits under the 1115 PCN Demonstration Waiver.
- Improve the dental health of demonstration eligible individuals
- Dental Benefits will be provided fee for service by an entity who:
 - Has demonstrated experience working with individuals who are being treated for both substance abuse disorder and a major oral health disease
 - Operates a program, targeted at the individuals described in the amendment, that has demonstrated, through a peer-reviewed evaluation the effectiveness of providing dental treatment to those individuals
 - Is willing to pay for an amount equal to the program's non-federal share of the cost of providing dental services to the population described.

The waiver amendment will be available online as of May 6th at <https://medicaid.utah.gov/waiver-application>.

The Board voiced support for the improvement/access expanding to these two groups. However, issues raised were how this would impact the tribes for services they already provide, and reimbursement concerns. How is/will the U of U Dental program work with single organizations, like tribal dental programs, which are already providing this type of service? Nate responded that the U of U may need to add tribal programs to the panel of providers. The second question related to the reimbursement. How would tribes request reimbursement? Right now it is set up FFS. Nate is not sure how to capture the reimbursement for A.I. R. Nate will follow up and share what he learns with the Board.

Medicaid Outreach & Eligibility Initiative:

Tonya Hales discussed Medicaid Outreach and Eligibility Initiative. Declaring “tribal affiliation” when applying for benefits eliminates paying for co-pays, but they must make that election on the application at the time of applying. Expansion additional benefits not bound by requirements.

- Work requirement – exempt
- Co-insurance
- Medicaid is in-eligible to claim 100% match; only can claim those individuals who claim that tribal affiliation

Tonya will work with Jacoy – Answer identification American Indian/Tribal affiliation
