Dear Administrator Brooks-LaSure:

I am pleased to accept CMS' January 18, 2022 approval of Utah Medicaid's request to amend its 1115 Primary Care Network (PCN) Demonstration (Project Nos. 11-W-00145/8 and 21-W-00054/8). This approval allows Utah to utilize a Managed Care Risk Mitigation arrangement during the COVID-19 Public Health Emergency (PHE).

This letter serves as Utah Medicaid's official acceptance of this approval. Utah Medicaid agrees to continue to comply with the previously approved STCs..

We appreciate your continued support and cooperation in administering this demonstration.

Respectfully,

Jennifer Strohecker
Medicaid Director
Medicaid and Health Financing
