RE: New Hampshire State Plan Amendment (SPA) Transmittal Number 24-0018

Dear Commissioner Weaver:

We have reviewed the proposed New Hampshire State Plan Amendment (SPA) to Attachment 4.19-B submitted under TN-24-0018, which was submitted to the Centers for Medicare & Medicaid Services (CMS) on March 14, 2024. This plan updates rates for Practitioners and Other Licensed Practitioners (OLP).

Based upon the information provided by the State, we have approved the amendment with an effective date of January 1, 2024. We are enclosing the approved CMS-179 and a copy of the new state plan page.

Please note that our approval relates only to the requested change in payment methodology and that the resultant rates and related expenditures are consistent with section 1902(a)(30)(A) of the Act. CMS may still have questions on the funding structure in determining it's consistent with sections 1902(a)(2), 1903(a), and 1903(w) of the Act as implemented by 42 CFR §433.54. Approval of the subject SPA does not relieve the state of its responsibility to comply with federal laws and regulations, and to ensure that claims for federal funding are consistent with all applicable requirements. On April 2nd, 2021, CMS issued a letter on the New Hampshire Granite Advantage Health Care Trust Fund, in companion to the approval of New Hampshire's Medicaid managed care state directed payment preprints. The letter requested additional information to allow CMS to further review the state's sources of non-federal share financing of the Medicaid adult expansion population. The result of that review may also be applicable to the expenditures related to the payments authorized in this SPA.

If you have any additional questions or need further assistance, please contact Debi Benson at 1-312-886-0360 or Deborah.Benson@cms.hhs.gov.

Sincerely,

Todd McMillion

All fee schedules are accessible at www.nhmmis.nh.gov, under the ”documents and forms” tab under ”documentation,” and are applicable to all public and private providers.
5. Physician Services – Payment is made in accordance with a fee schedule established by the Department. Rates were set as of January 1, 2024, and are effective for services provided on or after that date. Quarterly updates to the Healthcare Common Procedure Coding System are incorporated into the fee schedule at 60% of the Medicare rate. No provider shall bill or charge the Department more than the provider’s usual and customary charge. All fee schedules are accessible at www.nhmmis.nh.gov, under the ”documents and forms” tab under “documentation,” and are applicable to all public and private providers.
6. Services of Other Licensed Practitioners – Payment for all types of other licensed practitioners is made in accordance with a fee schedule established by the Department. Rates were set as of January 1, 2024, and are effective for services provided on or after that date. Quarterly updates to the Healthcare Common Procedure Coding System are incorporated into the fee schedule at 60% of the Medicare rate. All fee schedules are accessible at www.nhmmis.nh.gov, under the “documents and forms” tab under “documentation,” and are applicable to all public and private providers.

Note: When it is stated that “rates were set as of,” this indicates the most recent date rates were changed on one or more codes for the type of service/practitioner in question. It is not meant to imply that all of the codes pertaining to the type of service/practitioner in question were changed or reviewed.
