August 12, 2015

Joseph Moser  
Medicaid Director  
Indiana Family and Social Services Administration  
402 W. Washington St., Room W461  
Indianapolis, IN 46204

Dear Mr. Moser:

The State of Indiana submitted its POWER Account Contributions and Copayments Infrastructure Operational Protocol (“Operational Protocol”) on February 26, 2015 and its POWER Account Contributions and Copayments Monitoring Protocol (“Monitoring Protocol”) on July 31, 2015, as required by Special Terms and Conditions (STCs) VIII.4 and 5, respectively, for its section 1115 demonstration, Healthy Indiana Plan 2.0 (HIP 2.0) (Project No. 11-W-00296/5). The Centers for Medicare & Medicaid Services (CMS) appreciates the cooperation and collaboration your staff provided during our review of your protocols.

At this time, we have no further questions about either of these protocols. As required by the HIP 2.0 STCs, the Operational Protocol and the Monitoring Protocol will be added to Attachments B and C of the STCs, respectively.

We look forward to continuing to work with you and your staff on the HIP 2.0 demonstration. If you have any questions, please contact your project officer, Ms. Shanna Janu, at either 410-786-1370 or by email at [Shanna.Janu@cms.hhs.gov](mailto:Shanna.Janu@cms.hhs.gov).

We appreciate your cooperation throughout the review process.

Sincerely,

/s/

Eliot Fishman
