

1. Title page for the state’s substance use disorder (SUD) demonstration or the SUD component of the broader demonstration

The state should complete this title page at the beginning of a demonstration and submit as the title page for all monitoring reports. The content of this table should stay consistent over time. Definitions for certain rows are below the table.

State	Alaska
Demonstration name	Alaska Substance Use Disorder and Behavioral Health Program (SUD -BHP) (Project Number: 11-W-00318/0)
Approval period for section 1115 demonstration	01/01/2019
SUD demonstration start date^a	01/01/2019
Implementation date of SUD demonstration, if different from SUD demonstration start date^b	07/01/2019
SUD (or if broader demonstration, then SUD -related) demonstration goals and objectives	<ul style="list-style-type: none"> • Increased rates of identification, initiation, and engagement in treatment • Increased adherence to and retention in treatment • Reduced overdose deaths, particularly those due to opioids • Reduced utilization of emergency departments and inpatient hospital settings for treatment where the utilization is preventable or medically inappropriate through improved access to other more appropriate and focused SUD use/misuse/abuse- related services • Fewer readmissions to the same or higher level of care where the readmission is preventable or medically inappropriate • Improved access to care for physical health conditions among beneficiaries
SUD demonstration year and quarter	SUD DY2Q4
Reporting period	04/01/2021 – 06/30/2021

^a **SUD demonstration start date:** For monitoring purposes, CMS defines the start date of the demonstration as the *effective date* listed in the state’s STCs at time of SUD demonstration approval. For example, if the state’s STCs at the time of SUD demonstration approval note that the SUD demonstration is effective January 1, 2020 – December 31, 2025, the state should consider January 1, 2020 to be the start date of the SUD demonstration. Note that the effective date is

considered to be the first day the state may begin its SUD demonstration. In many cases, the effective date is distinct from the approval date of a demonstration; that is, in certain cases, CMS may approve a section 1115 demonstration with an effective date that is in the future. For example, CMS may approve an extension request on 12/15/2020, with an effective date of 1/1/2021 for the new demonstration period. In many cases, the effective date also differs from the date a state begins implementing its demonstration.

^b Implementation date of SUD demonstration: The date the state began claiming federal financial participation for services provided to individuals in institutions for mental disease.
