No. UPL Guidano	ee Question (UPDATED)	Response or Follow-Up Questions (UPDATED)
	onstration Overview	
	y significant changes to the prior year UPL methodology?	Insert the following options:
- Are there dil	, significant enanges to the prior year of Emethodology!	Yes
		No No
		NO TO THE PART OF
		If 'Yes' is selected, insert the following question:
		If Yes, please explain.
		Insert Text Box
2 Does the UP	L demonstration align with your state fiscal year?	Insert the following options:
2 Does the or	E demonstration angri with your state risear year:	Yes
		No
		If 'No' is selected, insert the following question:
		If No, please explain.
		Insert Text box
		Add the following note:
		Note: The UPL demonstration period should start the day after the previous UPL demonstration period's end date.
3 Does the UP	L demonstration trend data from the previous UPL demonstration	Insert the following options:
	or does it contain new data?	Data trended from previous submission
		Add the following note:
		Note: If using data trended from a previous submission the beginning date of that data must be no more than 2 years from
		the beginning date of the current UPL demonstration.
		New data
4 Does the UP	L demonstration include a full 12 months of data for each provider?	Insert the following options:
		Yes
		No
		If 'No' is selected, insert the following question:
		If No, please explain.
E La Hara hara'a a	the data of the data was the 2 as a form the heatest and the file.	Insert Text Box
_	ling date of the data more than 2 years from the beginning date of the	Insert the following options:
OPL demons	tration period?	Yes No
		NO .
		If 'Yes' is selected, insert the following question:
		If Yes, please explain.
		Insert Text box
6 Has the prov	ider count changed from the previous UPL demonstration?	Insert the following options:
		Yes
		No
6a Please explai	in the changes, including any new providers, closed providers, or mergers.	Insert Text Box

Insert Text Box Insert the following options: Gross Net

5a	Are all adjustments related to SPAs between the Medicaid data base period and UPL demonstration period accounted for in the demonstration?	Insert the following options: Yes No
		If 'No' is selected, insert the following question: Please list each SPA number with a brief description of the adjustment. Insert Text box
Sectio	n VI: The State trends or adjusts the UPL data, as follows:	
1	Does the state trend the UPL for inflation?	Insert the following options: Yes No
		If 'Yes' is selected, insert the following question: If Yes, please explain the inflation factor and its source (variable 404- description). Insert text box
2	Does the state trend using the RUGs frequency distribution for each facility?	Insert the following options:
		Yes No If 'Yes' is selected, insert the following question:
		Please describe the application of the frequency distribution.
3	Is the inflation factor trend applied from mid-point to mid-point in order to most	Insert the following options:
	accurately project future experience?	Yes No
		If 'No' is selected, insert the following question: If No, please explain. Insert Text box
4	Does the state trend the UPL for volume/utilization?	Insert the following options:
		Yes
		No
		If 'Yes, is selected, insert the following question: If Yes, please explain the volume/utilization adjustment, including: How it will assure the UPL does not over or understate the volume of Medicaid nursing facility services provided in the rate year?
		How it is applied? Discuss how it is applied consistently to the Medicare equivalent and Medicaid payment data. Insert text box
5	Does the state apply a claims completion factor to the payment data?	Insert the following options: Yes No
		If 'Yes' is selected, insert the following question:
		If Yes, please explain the claims completion factor and its application. Insert text box
6	Does the state apply a claims completion factor to the day/charge data?	Insert the following options:
		Yes No
		If 'Yes' is selected, insert the following question: If Yes, please explain the claims completion factor and its application. Insert text box
7	Is the claims completion factor equally applied to the payment and day/charge data?	Insert the following options:
		Yes No
		If 'No' is selected, insert the following question: If No, please explain the claims completion factor and its application. Insert text box
Sectio	n VII: The State UPL data demonstration is structured as follows:	
1	Explain any significant increases or decreases in the UPL Gap from the prior year's UPL demonstration for each applicable provider category (SGO, NSGO, and Private).	Please explain: Insert Text Box
2	Does the demonstration include all nursing facilities that receive payments under Medicaid?	Insert the following options: Yes
	ivieuicaiu:	No
		If "No" is selected, insert the following question: If No, please explain which nursing facilities that received payments from Medicaid are not included and why. Insert text box
3	Does the data demonstration only include in-state nursing facilities?	Insert the following options:
		Yes No
		If "No" is selected, insert the following question: If No, the nursing facilities should be included in the "private" provider category. The state should also verify that cost/payment data is obtained from the cost report of the out-of-state nursing facility.
		Out-of-state nursing facilities are included in the "private" provider category. Cost and payment data is obtained from the cost report of the out-of-state nursing facility.
4	Are provider taxes included and/or adjusted for in the UPL data (variable 401)?	Insert the following options:
		Yes No
		If 'Yes' is selected, insert the following question: If Yes, please provide an explanation of their inclusion and/or adjustment. Insert text Box
