Matt Wimmer CHIP Director Department of Health and Welfare P.O. Box 83720 Boise, ID 83720-0036 DEC 1 7 2013

Dear Mr. Wimmer:

I am pleased to inform you that your Title XXI Children's Health Insurance Program (CHIP) state plan amendment (SPA) numbers ID-13-0014 and SPA number ID-13-0016, submitted on September 17, 2013 and September 19, 2013, respectively, and related to Modified Adjusted Gross Income (MAGI) Eligibility have been approved with an effective date of January 1, 2014.

Title XXI Medicaid Expansion:

SPA number ID-13-0014 converts the state's existing income eligibility standards to MAGI-equivalent standards, by age group, for children covered in its title XXI-funded Medicaid program. A copy of the approved state plan page (CS3) is attached, and should be incorporated into the state's approved CHIP state plan. This page supersedes the current Medicaid expansion Section (4.0) of the current CHIP state plan.

MAGI Eligibility & Methods:

SPA number ID-13-0016 provides assurance on page CS15 that the state will apply methodologies based on MAGI for all separate CHIP covered groups; using the approved MAGI conversion plan income thresholds, the state indicates on page CS7 that it will cover targeted low-income children; and on page CS13 the state elects to cover as deemed newborns children born to mothers enrolled as targeted low-income children in CHIP. A copy of the approved CS15 is attached and should be incorporated within a separate subsection under Section 4.3 of the state's approved CHIP state plan. A copy of the approved CS7 is attached and supersedes the current Geographic Area, Age and Income Sections 4.1.1, 4.1.2 and 4.1.3 of the current CHIP state plan. A copy of the approved CS13 is attached and should be incorporated under Section 4.3 of the state's approved CHIP state plan.
