Medicaid Director
Executive Office of Health and Human Services
74 West Road, 1st Floor
Hazard Building
Cranston, RI 02920

Dear Mr. Tigue:

I am pleased to inform you that your title XXI Children's Health Insurance Program (CHIP) state plan amendment (SPA), RI-19-0004, has been approved. RI-19-0004 demonstrates compliance with the CHIP managed care regulations at 42 CFR 457, Subpart L for utilization of a managed care delivery system. This SPA has an effective date of July 1, 2018 with the exception of the changes described below.

Sections 2101(a), 2103(f)(3), 2107(b), and 2107(e) of the Social Security Act, as implemented through regulations at 42 CFR 457 Subpart L, describe the application of managed care requirements to CHIP. Rhode Island has provided the necessary assurances indicating that the state complies with the managed care requirements in the delivery of CHIP services and benefits covered under the state's separate child health plan as of the effective date of the SPA, except that the state came into compliance with the requirements to develop consistent terminology, model enrollee handbooks, and model enrollee notices described in section 3.5.4 of the state plan and 42 CFR 457.1207, cross-referencing to 42 CFR 438.10(c)(4) on July 1, 2019. In addition, the state will come into compliance with provider screening and enrollment described in section 3.10.7 of the state plan and 42 CFR 457.1285 by January 1, 2020.

This SPA approval does not substitute for CMS review of any contracts between the state and managed care entities that serve the state's CHIP populations. All managed care contracts for CHIP populations in effect as of the state fiscal year beginning on or after July 1, 2018 must comply with the CHIP managed care regulations and be submitted for CMS review.

STATE PLAN UNDER TITLE XXI OF THE SOCIAL SECURITY ACT

State: Rhode Island

Section 3. Methods of Delivery and Utilization Controls

- Check here if the State elects to use funds provided under Title XXI only to provide expanded eligibility under the State's Medicaid plan, and continue on to Section 4 (Eligibility Standards and Methodology).

Guidance: In Section 3.1, describe all delivery methods the State will use to provide services to enrollees, including: (1) contracts with managed care organizations (MCO), prepaid inpatient health plans (PIHP), prepaid ambulatory health plans (PAHP), primary care case management entities (PCCM entities), and primary care case managers (PCCM); (2) contracts with indemnity health insurance plans; (3) fee-for-service (FFS) paid by the State to health care providers; and (4) any other arrangements for health care delivery. The State should describe any variations based upon geography and by population (including the conception to birth population). States must submit the managed care contract(s) to CMS' Regional Office for review.

3.1. Delivery Systems (Section 2102(a)(4)) (42 CFR 457.490; Part 457, Subpart L)

3.1.1 Choice of Delivery System

3.1.1.1 Does the State use a managed care delivery system for its CHIP populations? Managed care entities include MCOs, PIHPs, PAHPs, PCCM entities and PCCMs as defined in 42 CFR 457.10. Please check the box and answer the questions below that apply to your State.

- No, the State does not use a managed care delivery system for any CHIP populations.
- Yes, the State uses a managed care delivery system for all CHIP populations.
- Yes, the State uses a managed care delivery system; however, only some of the CHIP population is included in the managed care delivery system and some of the CHIP population is included in a fee-for-service system.

If the State uses a managed care delivery system for only some of its CHIP populations and a fee-for-service system for some of its CHIP populations, please describe which populations are, and which are not, included in the State's managed care delivery system for CHIP. States will be asked to specify which managed care entities are used by the State in its managed

State: Rhode Island

care delivery system below in Section 3.1.2.

Guidance: Utilization control systems are those administrative mechanisms that are designed to ensure that enrollees receiving health care services under the State plan receive only appropriate and medically necessary health care consistent with the benefit package.

Examples of utilization control systems include, but are not limited to: requirements for referrals to specialty care; requirements that clinicians use clinical practice guidelines; or demand management systems (e.g., use of an 800 number for after-hours and urgent care). In addition, the State should describe its plans for review, coordination, and implementation of utilization controls, addressing both procedures and State developed standards for review, in order to assure that necessary care is delivered in a cost-effective and efficient manner. (42 CFR 457.490(b))

If the State does not use a managed care delivery system for any or some of its CHIP populations, describe the methods of delivery of the child health assistance using Title XXI funds to targeted low-income children. Include a description of:

- The methods for assuring delivery of the insurance products and delivery of health care services covered by such products to the enrollees, including any variations. (Section 2102(a)(4); 42 CFR 457.490(a))
- The utilization control systems designed to ensure that enrollees receiving health care services under the State plan receive only appropriate and medically necessary health care consistent with the benefit package described in the approved State plan. (Section 2102(a)(4); 42 CFR 457.490(b))

Guidance: Only States that use a managed care delivery system for all or some CHIP populations need to answer the remaining questions under Section 3 (starting with 3.1.1.2). If the State uses a managed care delivery system for only some of its CHIP population, the State's responses to the following questions will only apply to those populations.

3.1.1.2 Do any of your CHIP populations that receive services through a managed care delivery system receive any services outside of a managed care delivery system?

- No
 Yes

(42 CFR 457.940(b); 42 CFR 457.1250(a), cross referencing to 42 CFR 438.356(e))
- 3.2.2** The State assures that it will include provisions in all managed care contracts that define a sound and complete procurement contract, as required by 45 CFR part 75, as applicable. (42 CFR 457.940(c))
- 3.2.3** The State assures that each MCO, PIHP, PAHP, PCCM, and PCCM entity complies with any applicable Federal and State laws that pertain to enrollee rights, and ensures that its employees and contract providers observe and protect those rights (42 CFR 457.1220, cross-referencing to 42 CFR 438.100). These Federal and State laws include: Title VI of the Civil Rights Act of 1964 (45 CFR part 80), Age Discrimination Act of 1975 (45 CFR part 91), Rehabilitation Act of 1973, Title IX of the Education Amendments of 1972, Titles II and III of the Americans with Disabilities Act, and section 1557 of the Patient Protection and Affordable Care Act.

Guidance: States that checked both boxes under 3.3.1 above do not need to make the next assurance. If the state is unable to check both boxes under 3.1.1 above, the state must check the next assurance.

STATE PLAN UNDER TITLE XXI OF THE SOCIAL SECURITY ACT

State: Rhode Island

- 3.3.2 The State assures that its rates are designed to reasonably achieve a medical loss ratio standard equal to at least 85 percent for the rate year and provide for reasonable administrative costs. (42 CFR 457.1203(c))
- 3.3.3 The State assures that it will provide to CMS, if requested by CMS, a description of the manner in which rates were developed in accordance with the requirements of 42 CFR 457.1203(a) through (c). (42 CFR 457.1203(d))
- 3.3.4 The State assures that it annually submits to CMS a summary description of the reports pertaining to the medical loss ratio received from the MCOs, PIHPs, and PAHPs. (42 CFR 457.1203(e), cross referencing to 42 CFR 438.74(a))

 - Yes, the State requires some, but not all, MCOs, PIHPs, and PAHPs to pay remittances.

The Medical MCO is required to pay remittances, the Dental PAHP is not required to pay remittances.

If the State requests some, but not all, MCOs, PIHPs, and PAHPs to pay remittances through the contract for not meeting the minimum MLR required by the State, please describe which types of managed care entities are and are not required to pay remittances. For example, if a state requires a medical MCO to pay a remittances but not a dental PAHP, please include this information. The Dental PAHP is not required to pay remittances, however this will be included as a requirement in the contract amendment effective July 1, 2019.

If the answer to the assurance above is yes for any or all managed care entities, please answer the next assurance:

- The State assures that if a remittance is owed by an MCO, PIHP, or PAHP to the State, the State:
 - Reimburses CMS for an amount equal to the Federal share of the

STATE PLAN UNDER TITLE XXI OF THE SOCIAL SECURITY ACT

State: Rhode Island

remittance, taking into account applicable differences in the Federal matching rate; and

- Submits a separate report describing the methodology used to determine the State and Federal share of the remittance with the annual report provided to CMS that summarizes the reports received from the MCOs, PIHPs, and PAHPs. (42 CFR 457.1203(e), cross referencing to 42 CFR 438.74(b))

3.4 Enrollment

- The State assures that its contracts with MCOs, PIHPs, PAHPs, PCCMs, and PCCM entities provide that the MCO, PIHP, PAHP, PCCM or PCCM entity:

(42 CFR 457.1210(c))

STATE PLAN UNDER TITLE XXI OF THE SOCIAL SECURITY ACT

State: Rhode Island

entity does not have the capacity to accept all those seeking enrollment under the program. (42 CFR 457.1210(b))

- 3.4.1.3** Does the State use a default enrollment process to assign beneficiaries to an MCO, PIHP, PAHP, PCCM, or PCCM entity? (42 CFR 457.1210(a))
- Yes
 No

If the State uses a default enrollment process, please make the following assurances:

- The State assigns beneficiaries only to qualified MCOs, PIHPs, PAHPs, PCCMs, and PCCM entities that are not subject to the intermediate sanction of having suspension of all new enrollment (including default enrollment) under 42 CFR 438.702 and have capacity to enroll beneficiaries. (42 CFR 457.1210(a)(1)(i))
- The State maximizes continuation of existing provider-beneficiary relationships under 42 CFR 457.1210(a)(1)(ii) or if that is not possible, distributes the beneficiaries equitably and does not arbitrarily exclude any MCO, PIHP, PAHP, PCCM or PCCM entity from being considered. (42 CFR 457.1210(a)(1)(ii), 42 CFR 457.1210(a)(1)(iii))

3.4.2 Disenrollment

- 3.4.2.1** The State assures that the State will notify enrollees of their right to disenroll consistent with the requirements of 42 CFR 438.56 at least annually. (42 CFR 457.1207, cross-referencing to 42 CFR 438.10(f)(2))
- 3.4.2.2** The State assures that the effective date of an approved disenrollment, regardless of the procedure followed to request the disenrollment, will be no later than the first day of the second month following the month in which the enrollee requests disenrollment or the MCO, PIHP, PAHP, PCCM or PCCM entity refers the request to the State. (42 CFR 457.1212, cross-referencing to 438.56(e)(1))
- 3.4.2.3** If a beneficiary disenrolls from an MCO, PIHP, PAHP, PCCM, or PCCM entity, the State assures that the beneficiary is provided the option to enroll in another plan or receive benefits from an alternative delivery system. (Section 2103(f)(3) of the Social Security Act, incorporating section 1932(a)(4); 42 CFR 457.1212, cross referencing to 42 CFR 438.56; State Health Official Letter #09-008)

STATE PLAN UNDER TITLE XXI OF THE SOCIAL SECURITY ACT

State: Rhode Island

3.4.2.4 MCO, PIHP, PAHP, PCCM and PCCM Entity Requests for Disenrollment.

- The State assures that contracts with MCOs, PIHPs, PAHPs, PCCMs and PCCM entities describe the reasons for which an MCO, PIHP, PAHP, PCCM and PCCM entity may request disenrollment of an enrollee, if any. (42 CFR 457.1212, cross-referencing to 42 CFR 438.56(b))

Guidance: Reasons for disenrollment by the MCO, PIHP, PAHP, PCCM, and PCCM entity must be specified in the contract with the State. Reasons for disenrollment may not include an adverse change in the enrollee's health status, or because of the enrollee's utilization of medical services, diminished mental capacity, or uncooperative or disruptive behavior resulting from his or her special needs (except when his or her continued enrollment in the MCO, PIHP, PAHP, PCCM or PCCM entity seriously impairs the entity's ability to furnish services to either this particular enrollee or other enrollees). In 1999, the Rhode Island Department of Human Services (DHS) and the Narragansett Native American Tribe (Tribe) signed a formal consultation agreement to encourage the free exchange of information to improve collaboration between the State and the Tribe with regard to health services.

The State has sought comments from the Tribe on its Section 1115 waiver (and amendments) and SCHIP plans through a SCHIP planning committee and continues to encourage participation from the Tribe in Rite Care's ongoing Consumer Advisory Committee.

DHS has also developed an ongoing partnership to:

- Streamline the payment claims system for Rite Care members
- Facilitate meeting meetings between NHPRI and the Indian Health Center to allow the center to participate in NHPRI's provider network
- Exempt Native Americans from cost-sharing

Coverage of eligible children under 19 as provided for in Section 214 of the Children's Health Insurance Reauthorization Act of 2009 (CHIPRA) who are otherwise eligible aliens lawfully residing in the United States was authorized by the Rhode Island General Assemble in approving the 2010 State Budget, thus the public was informed through the State's customary legislative process.

- Planned use of funds, including -
