#### Citizenship

The CHIP Agency provides CHIP eligibility to otherwise eligible citizens and nationals of the United States and certain non-citizens, including the time period during which they are provided with reasonable opportunity to submit verification of their citizenship, national status or satisfactory immigration status.

The CHIP Agency provides eligibility under the Plan to otherwise eligible individuals:

Who are citizens or nationals of the United States; or

Who are qualified non-citizens as defined in section 431 of the Personal Responsibility and Work Opportunity Reconciliation Act (PRWORA) (8 U.S.C. §1641), or whose eligibility is required by section 402(b) of PRWORA (8 U.S.C. §1612(b)) and is not prohibited by section 403 of PRWORA (8 U.S.C. §1613); or

Who have declared themselves to be citizens or nationals of the United States, or an individual having satisfactory immigration status, during a reasonable opportunity period pending verification of their citizenship, nationality, or satisfactory immigration status consistent with requirements of 1903(x), 1137(d), and 1902(ee) of the Act, and 42 CFR 435.406, 407, 956 and 457.380.

The reasonable opportunity period begins on and extends 90 days from the date the notice of reasonable opportunity is received by the individual.

The agency provides for an extension of the reasonable opportunity period if the individual is making a good faith effort to resolve any inconsistencies or obtain any necessary documentation, or the agency needs more time to complete the verification process.

Yes

The agency begins to furnish benefits to otherwise eligible individuals during the reasonable opportunity period on a date earlier than the date the notice is received by the individual.

Yes

The date benefits are furnished is:

- O The date of application containing the declaration of citizenship or immigration status.
- C The date the reasonable opportunity notice is sent.
- Other date, as described:

Proof of Citizenship and Identity Eligibility

As of January 1, 2010, U.S. Citizens must document their Citizenship and Identity to be eligible for CHIP. Applicants: The State does not delay or deny benefits when an individual declares to be a U.S. Citizen or U.S. National, and there is no evidence that contradicts their claim.

If otherwise eligible, the State allows CHIP coverage and gives the client reasonable time to provide the documentation by the end of the time frame given, or provide proof they are working to obtain the documentation.

"Reasonable time" is defined as (at least) 90 days. A client needs to either provide the documentation by the end of the time frame given, or provide proof that they are working to obtain the documentation. If the client still needs more

## **CHIP Eligibility**

time, the State gives them at least another 30 days to obtain it.

If the client has been given reasonable time and does not provide the documentation or proof that they are working on obtaining it, the State removes the child from the CHIP coverage with proper notice.
