Dear Ms. Probert:

This letter is to inform you that the Centers for Medicare & Medicaid Services (CMS) is granting a temporary extension of Maine's section 1115 demonstration, "Maine Section 1115 Health Care Reform Demonstration for Individuals with HIV/AIDS" (Project Number 11-W-001281), which is due to expire on March 31, 2019. This temporary extension will allow the state and CMS to finish working together on approval of the extension of this demonstration. This demonstration will now expire April 30, 2019.

CMS' approval is conditioned upon the state's continued compliance with the Special Terms and Conditions (STCs) defining the nature, character, and extent of anticipated federal involvement in the project. The current list of waivers, expenditure authorities, and STCs will continue to apply to the Maine HIV/AIDS demonstration until April 30, 2019.
