Features	Medicaid Managed Care	PACE
<b>Notes</b>		
Program notes	Regarding mandatory enrollment in Ohio Medicaid Managed Care for children with special health care needs: Mandatory enrollment applies only to the SSI population of children with special health care needs. In addition to the 1932a SPA (which was implemented in 2005), a 1915b waiver was implemented on July 1, 2013, and covers the SSI child population.
