RE: Alaska State Plan Amendment (SPA) Transmittal Number 13-011

Dear Mr. Streur:

The Centers for Medicare & Medicaid Services (CMS) has completed its review of State Plan Amendment (SPA) Transmittal Number 13-011. This SPA adds 2101(f)-like children as an optional reasonable classification of individuals to the Medicaid state plan and eliminates the income test for that group and certain other reasonable classifications of children.

This SPA is approved effective December 31, 2013.

If you have any questions concerning this SPA, please contact me, or have your staff contact Janice Adams at (206) 615-2541 or janice.adams@cms.hhs.gov.

Sincerely,
