RE: Alaska State Plan Amendment (SPA) Transmittal Number 15-0005

Dear Ms. Davidson:

The Centers for Medicare & Medicaid Services (CMS) has completed its review of Alaska State Plan Amendment (SPA) Transmittal Number 15-0005. This Alternative Benefits Plan (ABP) SPA, submitted on September 21, 2015, meets all federal statutory and regulatory requirements for establishing an ABP under section 1937 of the Social Security Act.

All requirements pertaining to ABPs must be met including, but not limited to: benefits; payment rates; reimbursement methodologies; cost sharing state plan pages, and; service delivery requirements.

This SPA is approved effective September 1, 2015, as requested by the state.

This letter also serves as our approval of Alaska's request to allow for a transition period of one (1) year from the time of the ABP approval to allow the state to come into compliance with 42 CFR 440.347(7) pertaining to habilitative services and devices, and 42 CFR 440.347(9) regarding preventive and wellness services and chronic disease management. Specifically, CMS approves the following requests:

- For the purposes of meeting the Habilitative Services component, the state of Alaska anticipates a small change in state regulations at 7 AAC 115.310(d), to allow habilitative services under physical therapy. The state anticipates that the regulation change can be drafted, issued for public comment, and reviewed by the Alaska Department of Law for final approval by the Commissioner's office within one (1) year, and;

Page 2 – Ms. Davidson

- For the purposes of meeting the Preventive Services component, the state of Alaska anticipates a small change in state regulations at 7 AAC 105.110(1) to add the word “screening” under “Medicaid Coverage: Professional Services.” There will also be a small regulation change at 7 AAC 120.112 to allow non-prescription drugs from the USPSTF recommendations to include Aspirin, Vitamin D, Folic Acid, and Iron Supplements to targeted populations. The state anticipates that the regulation changes can be drafted, issued for public comment, and reviewed by the Alaska Department of Law for final approval by the Commissioner’s office within one (1) year.
