Dear Mr. Gessow:

We have reviewed the proposed amendment to your Medicaid State Plan submitted under Transmittal Number 10-11. Effective March 1, 2011, the Arkansas Title XIX State Plan has been amended to add language for services for substance abuse to Medicaid eligible children, adolescents, and pregnant women through the last day of the month in which the 60th post-partum day falls.

In the future, when the State submits a State Plan Amendment (SPA) that may impact Indians or Indian health providers, CMS will look for evidence of the State's tribal consultation process for that SPA. Pursuant to section 1902 (a) (73) of the Act added by section 5006 (e) of the Recovery and Reinvestment Act of 2009, the State must submit evidence to CMS regarding the solicitation of advice prior to submission of the SPA. This consultation must include all federally recognized tribes, Indian Health Service and Urban Indian Organizations within the state.

Transmittal Number 10-10 is approved with an effective date of March 1, 2011 as requested. A copy of the HCFA-179, Transmittal No. 10-11 dated October 8, 2010 is enclosed along with the approved plan pages.

If you have any questions, please contact Tamara Sampson at (214) 767-6431.

Sincerely,

/s/
