Dear Mr. Douglas:

Enclosed is an approved copy of California State Plan Amendment (SPA) Number 10-008b, which revises the target populations receiving services through the Targeted Case Management Program. SPA 10-008b targets categories of Medically Fragile Individuals. Previously California had defined target groups by the provider type delivering TCM services, and these revisions change the definition of the target group to the population targeted for services. The revisions conform to Centers for Medicare and Medicaid Services 2237-Final, which revised Title 42, Code of Federal Regulations, Parts 431, 440 and 441. Attached are copies of the following new pages to be incorporated into your State Plan:

**Supplement 1b to Attachment 3.1-A, Pages 1-5**

If you have any questions, please contact Rodd Mas at (415) 744-2978 or via email at [rodd.mas@cms.hhs.gov](mailto:rodd.mas@cms.hhs.gov).

Sincerely,

Gloria Nagle, Ph.D., M.P.A.
