90 Seventh Street, Suite 5-300 (5W)

San Francisco, CA 94103-6706

NOV 30 2011

Toby Douglas, Director
California Department of Health Care Services
P.O. Box 997413, MS 0000
Sacramento, CA 95899-7413

Dear Mr. Douglas:

Enclosed is an approved copy of California State Plan Amendment (SPA) 11-035. This SPA was submitted to my office on November 25, 2011 requesting to amend the State Plan to delay the effective date of the elimination of the coverage of Adult Day Health Care (ADHC) services to March 1, 2012. The elimination was previously approved effective September 1, 2011 via SPA 11-014 and December 1, 2011 via SPA 11-026.

The effective date of this SPA is March 1, 2012. Enclosed are the following approved SPA pages that should be incorporated into your approved State Plan:

- Limitations on Attachment 3.1-A, page 19
- Limitations on Attachment 3.1-B, page 19
- Attachment 4.19B, page 6C
- Attachment 4.19-B, page 6D
- Supplement 6 to Attachment 4.19-B, page 2

The approval of this State Plan Amendment relates solely to the availability of Federal Financial Participation (FFP) for Medicaid covered services. This action does not in any way address the State's independent obligations under the Americans with Disabilities Act or the Supreme Court's Olmstead decision.

Additionally, I would like to remind you of the companion letter pertaining to SPAs 11-014 and 11-026. The State submitted SPA 11-028 in response to the aforementioned companion letter to address outstanding concerns related to rehabilitative services. It was necessary for the State to withdraw SPA 11-028 in order for CMS to expedite our review of 11-035. With the approval of 11-035, the State should submit a new SPA addressing the companion letter concerns.

If you have any questions, please contact Carolyn Kenline by phone at (415) 744-3591 or by email at Carolyn.Kenline@cms.hhs.gov.

Sincerely,

Gloria Nagle, Ph.D., MPA
Associate Regional Administrator
Division of Medicaid & Children's Health Operations

Enclosure

(Note: This chart is an overview only.)

Type of Service	Program Description**	Prior Authorization or Other Requirements*
13d.1 (Intentionally left blank)	***	
13d.2 Chronic dialysis services	Covered as an outpatient services when provided by renal dialysis centers or community hemodialysis units. Includes physician services, medical supplies, equipment, drugs, and laboratory tests.	Prior authorization is required for the facility but not the physician. Initial authorization may be granted up to three months. Reauthorization may be granted up to 12 months.
13d.3 Outpatient heroin detoxification services	Home dialysis and continuous ambulatory peritoneal dialysis are covered. Daily treatment is covered through the 21 st day.	Inpatient hospitalization for patients undergoing dialysis requires prior authorization. Prior authorization is required.
13d.4 Rehabilitative mental health services for seriously emotionally disturbed children	See 4b EPSDT program coverage.	Additional charges may be billed for services medically necessary to diagnose and treat diseases which the physician believes are concurrent with, but not part of, the outpatient heroin detoxification services. Medical necessity is the only limitation.

* Prior authorization is not required for emergency service.

** Coverage is limited to medically necessary services.

*** The elimination of Adult Day Health Care previously scheduled to take place on 12/1/11 (approved via SPA 11-026) has been postponed and will be effective as of 3/1/2012.

midwife, clinical psychologist, licensed clinical social worker, or visiting nurse, hereafter referred to as a "health professional," to the extent the services are reimbursable as covered benefits under C.1.(a). For purposes of this subparagraph 2(a), "physician" includes the following:

- (i) A doctor of medicine or osteopathy licensed by the State to practice medicine and/or surgery and who is acting within the scope of his/her license.
- (ii) A doctor of podiatry licensed by the State to practice podiatric medicine and who is acting within the scope of his/her license.
- (iii) A doctor of optometry licensed by the State to practice optometry and who is acting within the scope of his/her license.
- (iv) A chiropractor licensed by the State in the practice of chiropractic and who is acting within the scope of his/her license.
- (v) A doctor of dental surgery (dentist) licensed by the State to practice dentistry and who is acting within the scope of his/her license.

Inclusion of a professional category within the term "physician" is for the purpose of defining the professionals whose services are reimbursable on a per visit basis, and not for the purpose of defining the types of services that these professionals may render during a visit (subject to the appropriate license).

- (b) Comprehensive perinatal services when provided by a comprehensive perinatal services practitioner.

***The elimination of Adult Day Health Care previously scheduled to take place on 12/1/11 (approved via SPA 11-026) has been postponed and will be effective as of 3/1/2012.

3. Encounters with more than one health professional and multiple encounters with the same health professional that take place on the same day and at a single location constitute a single visit. More than one visit may be counted on the same day (which may be at a different location) in either of the following situations:
 - (a) When the clinic patient, after the first visit, suffers illness or injury requiring another diagnosis or treatment, two visits may be counted.
 - (b) The clinic patient has a face-to-face encounter with a dentist and then also has a face-to-face encounter with any one of the following providers: physician (as defined in subparagraphs C.2(a)(i)-(iv)), physician assistant, nurse practitioner, certified nurse midwife, clinical psychologist, licensed clinical social worker, visiting nurse, or a comprehensive perinatal services practitioner.

D. Prospective Payment Reimbursement

An FQHC or RHC that does not elect the alternative payment reimbursement methodology under Section E will receive reimbursement under the following prospective payment reimbursement methodology provisions:

1. On July 1, 2001, DHS implemented a prospective payment reimbursement methodology on a phased-in basis. Each FQHC or RHC receives payment in an amount calculated using the methodology described under paragraphs D.2 and D.4 effective the first day of the fiscal year on or after July 1, 2001. For the period January 1, 2001, until the payment methodology described in this Section D became effective for a particular facility, each FQHC or RHC was paid in accordance with Section H.
2. (a) Beginning on January 1, 2001, the prospective payment reimbursement rate for an FQHC or RHC was equal to 100 percent of the average reported cost-based reimbursement rate per visit for fiscal years 1999 and 2000 for the FQHC or the RHC, as determined in accordance with cost reimbursement principles for allowable costs explained in 42 CFR Part 413, as well as, Generally Accepted Accounting Principles. For each FQHC or
