Roderick Bremby, Commissioner Department of Social Services 55 Farmington Avenue Hartford, CT 06105

Dear Commissioner Bremby:

Enclosed for your records is an approved copy of the Connecticut Alternative Benefit Plan (ABP) State plan amendment (SPA) No. CT 15-022. This ABP, which was submitted through the Medicaid Model Data Lab (MMDL) on September 25, 2015, meets all federal statutory and regulatory requirements for establishing an ABP. This SPA was submitted to add Community First Choice pursuant to Section 1915(k) of the Social Security Act to the ABP (corresponding to approved SPA 15-012). This SPA has been approved effective July 1, 2015.

All requirements pertaining to ABPs must be met, including, but not limited to: benefits, payment rates, reimbursement methodologies, cost-sharing State plan pages, and, if applicable, managed care delivery systems (waivers and contracts). Amendments to the State's approved Medicaid program (SPAs, waivers, contracts) may require corresponding amendments to the ABP if the change to the benefit in the approved State plan will be mirrored in the ABP.

Enclosed are copies of the following approved State plan pages to be incorporated into the Massachusetts State plan:

• Attachment 3.1-L, template ABP 5, pages 1-42

If you have any questions regarding this matter you may contact Marie DiMartino at (617) 565-9157 or by e-mail at Marie.DiMartino@cms.hhs.gov

Sincerely,

/s/
