Stephen Groff, Director Division of Medicaid & Medical Assistance Delaware Health and Social Services 1901 N. DuPont Highway New Castle, DE 19720-0906

Dear Mr. Groff:

The Centers for Medicare & Medicaid Services has reviewed Delaware State Plan Amendment (SPA) 13-0005MM to modify eligibility standards and processes to conform to the requirements under the Affordable Care Act, and to exercise available related state options. The plan pages provide the criteria for coverage under this group, the MAGI-based income standard to be used, and the choice related to presumptive eligibility. The effective date of this SPA is January 1, 2014. Enclosed are the approved SPA pages and CMS-179 form.

If you have further questions about this SPA, please contact Michael Cleary at 215-861-4282.

Sincerely,

Francis McCullough Associate Regional Administrator

177200	gibility Groups - Mandatory Coverage rents and Other Caretaker Relatives
190	CFR 435.110 D2(a)(10)(A)(i)(I) B1(b) and (d)
	Parents and Other Caretaker Relatives - Parents and other caretaker relatives of dependent children with household income at or below a standard established by the state.
	The state attests that it operates this eligibility group in accordance with the following provisions:
	Individuals qualifying under this eligibility group must meet the following criteria:
	Are parents or other caretaker relatives (defined at 42 CFR 435.4), including pregnant women, of dependent children (defined at 42 CFR 435.4) under age 18. Spouses of parents and other caretaker relatives are also included.
	The state elects the following options:
	This eligibility group includes individuals who are parents or other caretakers of children who are 18 years old, provided the children are full-time students in a secondary school or the equivalent level of vocational or technical training.
	Options relating to the definition of caretaker relative (select any that apply):
	The definition of caretaker relative includes the domestic partner of the parent or other caretaker relative, even after the partnership is terminated.
	Definition of domestic partner: Unmarried partner whether of the same or different gender
	The definition of caretaker relative includes other relatives of the child based on blood (including those of half-blood), adoption or marriage.
	Description of other relatives:
	The definition of caretaker relative includes any adult with whom the child is living and who assumes primary responsibility for the dependent child's care.
	Options relating to the definition of dependent child (select the one that applies):
	The state elects to eliminate the requirement that a dependent child must be deprived of parental support or care by reason of the death, physical or mental incapacity, or absence from the home or unemployment of at least one parent.
	The child must be deprived of parental support or care, but a less restrictive standard is used to measure unemployment of the parent (select the one that applies):

11ave household income at of below the standard established by the state.
MAGI-based income methodologies are used in calculating household income. Please refer as necessary to S10 MAGI-Based Income Methodologies, completed by the state.

Income standard used for this group

Minimum income standard

The minimum income standard used for this group is the state's AFDC payment standard in effect as of May 1, 1988, converted to MAGI-equivalent amounts by household size. The standard is described in S14 AFDC Income Standards.

The state certifies that it has submitted and received approval for its converted May 1, 1988 AFDC payment standard.

An attachment is submitted.

Maximum income standard

The state certifies that it has submitted and received approval for its converted income standard(s) for parents and other caretaker relatives to MAGI-equivalent standards and the determination of the maximum income standard to be used for parents and other caretaker relatives under this eligibility group.

An attachment is submitted.

The state's maximum income standard for this eligibility group is:

- The state's effective income level for section 1931 families under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL or amounts by household size.
- The state's effective income level for section 1931 families under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL or amounts by household size.
- The state's effective income level for any population of parents/caretaker relatives under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL or amounts by household size
- The state's effective income level for any population of parents/caretaker relatives under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL or amounts by household size.

Eligibility Groups - Mandatory Coverage Adult Group S32
1902(a)(10)(A)(i)(VIII) 42 CFR 435.119
The state covers the Adult Group as described at 42 CFR 435.119.
Adult Group - Non-pregnant individuals age 19 through 64, not otherwise mandatorily eligible, with income at or below 133% FPL.
▼ The state attests that it operates this eligibility group in accordance with the following provisions:
Individuals qualifying under this eligibility group must meet the following criteria:
Have attained age 19 but not age 65.
Are not pregnant.
Are not entitled to or enrolled for Part A or B Medicare benefits.
Are not otherwise eligible for and enrolled for mandatory coverage under the state plan in accordance with 42 CFR 435, subpart B.
Note: In 209(b) states, individuals receiving SSI or deemed to be receiving SSI who do not qualify for mandatory Medicaid eligibility due to more restrictive requirements may qualify for this eligibility group if otherwise eligible.
Have household income at or below 133% FPL.
MAGI-based income methodologies are used in calculating household income. Please refer as necessary to S10 MAGI-Based Income Methodologies, completed by the state.
There is no resource test for this eligibility group.
Parents or other carctaker relatives living with a child under the age specified below are not covered unless the child is receiving benefits under Medicaid, CHIP or through the Exchange, or otherwise enrolled in minimum essential coverage, as defined in 42 CFR 435.4.
• Under age 19, or
A higher age of children, if any, covered under 42 CFR 435.222 on March 23, 2010:
Presumptive Eligibility
The state covers individuals under this group when determined presumptively eligible by a qualified entity. The state assures it also covers individuals under the Pregnant Women (42 CFR 435.116) and/or Infants and Children under Age 19 (42 CFR 435.118) eligibility groups when determined presumptively eligible.

Eligibility Groups - Mandatory Coverage Former Foster Care Children
42 CFR 435.150. 1902(a)(10)(A)(i)(IX)
Former Foster Care Children - Individuals under the age of 26, not otherwise mandatorily eligible, who were on Medicaid and in foster care when they turned age 18 or aged out of foster care.
The state attests that it operates this eligibility group under the following provisions:
Individuals qualifying under this eligibility group must meet the following criteria:
■ Are under age 26.
Are not otherwise eligible for and enrolled for mandatory coverage under the state plan, except that eligibility under this group takes precedence over eligibility under the Adult Group.
Were in foster care under the responsibility of the state or Tribe and were enrolled in Medicaid under the state's state plan or 1115 demonstration when they turned 18 or at the time of aging out of that state's or Tribe's foster care program.
The state elects to cover children who were in foster care and on Medicaid in <u>any</u> state at the time they turned 18 or aged out of the foster care system.
C Yes
The state covers individuals under this group when determined presumptively eligible by a qualified entity.
