Re: Title XIX State Plan Amendment, GA 13-0028-MM7

Dear Mr. Reese:

Enclosed is an approved copy of Georgia's State Plan Amendment (SPA) 13-0028-MM7, which was originally submitted to the Centers for Medicare & Medicaid Services (CMS) on January 9, 2014. SPA 13-0028-MM7 establishes that one or more qualified hospitals are determining presumptive eligibility, and that the state is providing coverage for individuals determined presumptively eligible, in accordance with the Affordable Care Act. The SPA was approved on February 6, 2015. The effective date of this SPA is January 1, 2014.

We understand that the state is still in the process of finalizing its system to support hospital presumptive eligibility and is estimating an implementation date of February 26, 2015. If any systems or other issues threaten this date, the state should inform CMS as soon as possible.

Enclosed is a copy of the new state plan pages and attachments to be incorporated within a separate section at the back of Georgia's approved state plan.

If you have any questions, please contact Ms. Tandra Hodges of my staff at 404-562-7409.

Sincerely,

//s//

Jackie Glaze Associate Regional Administrator Division of Medicaid & Children's Health Operations
