Dear Ms. Hamos:

We have reviewed Illinois State Plan Amendment (SPA) 12-026 received in the Chicago Regional Office on December 27, 2012. Under this SPA, the State proposes to add a new reimbursement methodology for implantable contraceptive devices purchased under a federally qualified health center (FQHC) or rural health center (RHC) approved by the United States Public Health Service. This SPA is effective October 13, 2012.

We are pleased to inform you that Illinois SPA 12-026 is approved, effective October 13, 2012. The Chicago Regional Office will forward to you a copy of the CMS-179 form, as well as the pages approved for incorporation into the Illinois Medicaid State Plan. If you have any questions regarding this amendment, please contact Bernadette Leeds at (410) 786-9463.

If you have any questions regarding this request, please contact Bernadette Leeds at (410) 786-9463.

Sincerely,

/s/
