

### **Outpatient Hospital Services**

The rates paid to outpatient hospital providers for services provided on or after January 1, 2010 and in accordance with methods described in Attachment 4.19-B in the Outpatient Hospital Services section are subject to a 5% reduction. The 5% rate reduction will remain in effect through June 30, 2011.

Except as otherwise noted in the plan, state-developed fee schedule rates are the same for both governmental and private providers of outpatient hospital services. The agency's rates are published in provider bulletins which are accessible through the agency's website.

The State's website, [www.indianamedicaid.com](http://www.indianamedicaid.com), allows providers access to the provider manual as well as all provider bulletins. The revenue codes and current rates can be found via the website as noted below.
