

## STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State/Territory: Kentucky(b) Adjustments or Recoveries

The State complies with the requirements of section 1917(b) of the Act and regulations at 42 CFR 433.36 (h)(i).

Adjustments or recoveries for Medicaid claims correctly paid are as follows:

(1) For permanently institutionalized individuals, adjustments or recoveries are made from the individual's estate or upon sale of the property subject to a lien imposed because of medical assistance paid on behalf of the individual for services provided in a nursing facility, ICF/MR, or other medical institution.

Adjustments or recoveries are made for all other medical assistance made on behalf of the individual.

(2)  The State determines "permanent institutional status" of individuals under the age of 55 other than those with respect to whom it imposes liens on real property under §1917(a)(1)(B) (even if it does not impose those liens).

(3) For any individual who received medical assistance at age 55 or older, adjustments or recoveries of payments are made from the individual's estate for nursing facility services, home and community-based services, and related hospital, and prescription drug services.

In addition to adjustment or recovery of payments for services listed above, payments are adjusted or recovered for other services under the State plan as listed below:

Recover for physician services related to the above mandatory services, for individuals age 55 and over. Aside from these limited mandatory services and related physician services, there is no other recovery, including Medicare Cost Sharing as identified in Section 4.17(b)(3) (Continued).
