RE: Maine 13-007

Dear Commissioner Mayhew:

We are now ready to approve State Plan Amendment (SPA) No. 13-007; attached you will find an approved copy of the SPA. As requested, this SPA is effective January 1, 2013.

The purpose of this SPA is to amend the Primary Care Case Management (PCCM) section of the State's approved Title XIX State Plan to conform to the recently-approved Health Home (HH) program, which replaced the Patient Centered Medical Home (PCMH) program; the PCMH program had been operated under PCCM authority. This SPA deletes PCMH from the PCCM section of the State plan and also provides details regarding the HH and PCCM programs to ensure that no duplication of payment or services exists.

As approved, this SPA creates a budgetary savings of \$2,000,000.00 for Federal Fiscal Year 2013.

If you have any questions regarding this SPA, please contact Kathryn Holt, Maine State Lead, at 617/565-1246, or at kathryn.holt@cms.hhs.gov.

Sincerely,

/s/

Richard R. McGreal
Associate Regional Administrator
