Medicare and Medicaid Coordination

For nursing facilities, county medical care facilities, hospital long term care units, ventilator dependent care units, hospital swing beds and nursing facilities for the mentally ill, Medicaid will reimburse consistent with the methodology for coordination of Title XIX with Title XVIII as specified in Supplement 1 to Attachment 4.19-B, page 1 of this plan. The services subject to co-insurance and deductible payments, and how to bill the co-insurance and deductible for these services, are listed in the Medicaid Nursing Facility Procedure Code Appendix.

A dually eligible beneficiary who resides in a Medicaid-only certified bed may be admitted to a hospital for acute care services and, at the time of the beneficiary's hospital discharge, may be eligible for Medicare-reimbursed Skilled Nursing Facility (SNF) benefits. However, the beneficiary may wish to return to the Medicaid NF bed from which he was originally transferred. In these situations, Medicaid will reimburse the Nursing Facility for any days (i.e. 100 days) that would have been covered by Medicare.

Medicaid will reimburse for all medically necessary nursing facility days and other medically necessary services for dually eligible beneficiaries who wish to return to their Medicaid NF bed and refuse their Medicare SNF benefit.

State of MICHIGAN

**POLICY AND METHODS FOR ESTABLISHING PAYMENT RATES
(LONG TERM CARE FACILITIES)**

1. Cost Finding, Cost Reporting and Records Maintenance

The specific methods of cost finding and cost reporting utilized by the single state agency are defined in the state agency's cost reporting forms and instructions. Providers shall be notified of the cost reporting form or format and acceptable cost finding methods and notified promptly of change

- A. Beginning with cost reporting periods ending after September 1, 1973, all participating skilled nursing and intermediate care providers are required to submit to the state agency an annual cost report within 5 months of the close of the providers cost reporting period. The provider will be notified of the delinquency and given 15 calendar days to submit the cost report or, if the cost report is not submitted, the provider's interim payments will be reduced by 100 percent. Restitution of withheld interim payments will be made by the state agency after receipt of an acceptable cost report. (Exception: A provider's cost report is due 5 months after a sale of a facility or termination of the provider agreement.)
- B. All cost reports must be submitted on the state agency's uniform reporting form or an approved replica thereof, covering a 12 month cost reporting period. AN EXCEPTION IS MADE FOR CLASS VII FACILITIES; THEY ARE TO SUBMIT THE MEDICARE SKILLED NURSING FACILITY COST REPORT IN PLACE OF THE STATE AGENCY'S REPORTING FORM. Any changes in reporting periods or exceptions to the number of months covered must be approved by the state agency.
- C. Each provider's cost report must include an itemized list of all expenses as recorded in the formal and permanent accounting records of the provider.
- D. The accrual method of accounting is mandated for providers and generally accepted accounting principles must be followed by providers of care under the plan.
