6.d. Other practitioners' services. (continued)

B. **Public health nursing services** are limited to:

- 1) Nursing assessment and diagnostic testing;
- 2) Health promotion and counseling;
- 3) Developing a care plan to promote good health and self-management of health conditions and directing and overseeing the implementation of the care plan by a community health worker when a certified public health nurse operates under the direct authority of a city, county, tribe or school district.
- 4) Nursing treatment;
- 5) Immunization;
- 6) Administration of injectable medications;
- 7) Medication management and the direct observation of the intake of drugs prescribed to treat tuberculosis;
- 8) Tuberculosis case management, which means:
  - a) assessing an individual's need for medical services to treat tuberculosis;
  - b) developing a care plan that addresses the needs identified in subitem a);
  - c) assisting the individual in accessing medical services identified in the care plan; and
  - d) monitoring the individual's compliance with the care plan to ensure completion of tuberculosis therapy; and
- 9) ~~Personal care assistant~~ Assessments, reassessments, and service updates to determine medically necessity for personal care services. Assessments, reassessments, and service updates are conducted by county public health nurses or certified public health nurses under contract with the county.

~~Such~~ Assessments for personal care services must be conducted initially, in person, for ~~persons~~ people who have never had a public health nurse assessment. The initial assessment must include:

STATE: MINNESOTA

Effective: August 1, 2010

TN: 10-19

Approved: **NOV 05 2010**

Supersedes: 09-28 (08-17, 07-08, 06-19, 05-11(A), 03-27, 02-20)

26. Personal care services, continued

- b.all managing employees as defined in 42 CFR §455.101
  - c.qualified professionals as defined on page 78y
  - d.personal care assistants
2. A personal care provider agency is barred from enrollment if:
    - a. The organization has not initiated background studies on owners and managing employees; or
    - b. The organization has initiated background studies on owners and managing employees, but the commissioner has sent the organization a notice that an owner or managing employee of the organization has been disqualified and the owner or managing employee has not received a set aside of the disqualification.
  3. Before a qualified professional ~~employed by~~ who works for a personal care assistance provider agency provides services, the personal care assistance provider agency must initiate a background study on the qualified professional, and the personal care assistance provider agency must have received a notice from the commissioner that the qualified professional is:
    - a. Not disqualified; or
    - b. Disqualified, but the qualified professional has received a set aside of the disqualification.
  4. Before a personal care assistant employed by a personal care assistance provider agency is enrolled with the department and provides services for a recipient, a background study must be initiated, and the personal care assistance provider agency must have received a notice from the commissioner that the personal care assistant is:
    - a. Not disqualified;
    - b. Disqualified, but the personal care assistant has received a set aside of the disqualification; or

In the event that a personal care agency discontinues service provision or is disenrolled, a recipient's enrolled personal care attendant can continue to assist the recipient until such time that another background study can be conducted at another provider agency in order to ensure continuity of services and to protect the health and safety of the recipient.
