Detail:

Effective for services on or after October 1, 2011, this amendment provides for a per diem increase to nursing facility and HIV nursing facility reimbursement rates by granting a trend increase resulting in an increase of six dollars (\$6.00). Nursing Facility payments in Missouri are funded by state appropriations and an existing, previously approved provider tax.

Other Considerations:

This plan amendment has not generated significant outside interest and we do not recommend the Secretary contact the governor.
