Dear Mr. Kinkade:

On November 4, 2011, the Centers for Medicare & Medicaid Services (CMS) received Missouri's State Plan Amendment (SPA), transmittal #11-14, which was in response to the companion letter issued with the approval of SPA 10-14. The companion letter had requested a number of revisions to the State Plan which were needed to bring the provision for targeted case management into compliance with current policy.

Based upon additional revisions received December 27, 2011, SPA 11-14 was approved on January 27, 2012, with an effective date of October 1, 2011. Enclosed is a copy of the CMS 179 form, as well as the approved pages for incorporation into the Missouri State Plan. If you have any questions regarding this amendment, please call Barbara Cotterman at (816) 426-5925.

Sincerely,

James G. Scott
Associate Regional Administrator
for Medicaid and Children's Health Operations
