

Adult Day Health Care Services:

Service is provided to recipients 18 and over with functional impairments who would otherwise require a nursing facility level of care. An individual plan of care provides up to 10 hours of care, and includes a program of organized therapeutic, rehabilitative and social activities, as well as medical supervision, medication services, meals and snacks, and necessary transportation.

The plan of care is developed in collaboration with a physician and must be reviewed at least every six months.

Adult day health care services will sunset as of June 30, 2013.

State Missouri

Adult Day Health Care

The state agency shall reimburse Adult Day Health Care services in accordance with provisions of state regulation 13 CSR 70-92.010. Payment will be made in accordance with a fixed fee per unit of service as defined and determined by the MO HealthNet Division. A unit of service is defined as a full day (6-10 hours) of service or a half day (3-5 hours) of service. The state payment for each service will be the lower of:

- (1) The provider's actual charge for the service; or
- (2) The established rate per service unit as determined by the state agency.

Except as otherwise noted in the plan, state-developed fee schedule rates are the same for both governmental and private providers of Adult Day Health Care. The agency's fee schedule rate was set as of June 30, 2008 and is effective for services provided on or after that date. All rates are published at <http://www.dss.mo.gov/mhd/index.htm>.

The total monthly payment made in behalf of an individual for Adult Day Health Care services in combination with other alternative services, including personal care and Home and Community-Based Waiver Services for the Elderly within a calendar month cannot exceed one hundred percent (100%) of the average statewide monthly cost to the state for care in a nursing institution (excluding state mental hospitals and state mental institutions for mental retardation).

Adult day health care services will sunset as of June 30, 2013.

Case Management Services for the Developmentally Disabled, Severely Emotionally Disturbed, Chronically Mentally Ill

The state agency will reimburse Case Management Services providers at rates as defined and determined by the MO HealthNet Division and established in accordance with the provisions of 42 CFR 447 Subpart F. The state payment for each service will be the lower of:

- (1) The provider's actual charge for the service; or
- (2) The Medicaid maximum allowable fee for service.

The state payment for each service will be the lower of the provider's actual charge or the Medicaid maximum allowable fee for the service. State developed fee schedule rates are the same for both governmental and private providers of case management services. The agency's fee schedule rate was set as of April 2009 and is effective for services provided on or after that date. All rates are published at <http://www.dss.mo.gov/mhd/index.htm>.
