DEPARTMENT OF HEALTH & HUMAN SERVICES Centers for Medicare & Medicaid Services 601 East 12th Street, Suite 355 Kansas City, Missouri 64106

Division of Medicaid and Children's Health Operations

October 9, 2015

Brian Kinkade, Director Missouri Department of Social Services Broadway State Office Building P.O. Box 1527 Jefferson City, Missouri 65102-1527

Dear Mr. Kinkade:

On December 31, 2013 the Centers for Medicare & Medicaid Services (CMS) received Missouri's State Plan Amendment (SPA) transmittal #13-0021-MM1, which describes the groups who are determined eligible using Modified Adjusted Gross Income (MAGI) in accordance with the Affordable Care Act (ACA). The Regional Office (RO) sent a request for additional information (RAI). SPA 13-0021-MM1 was approved on October 7, 2015 with an effective date of January 1, 2014, as requested by the state. Enclosed is a copy of the CMS179 summary page, a document describing the pages that are superseded in the existing state Medicaid plan, as well as the approved pages for incorporation into the Missouri State Plan.

The following state plan pages are approved and should be incorporated into Missouri's State Plan: S14, S25, S28, S30, S32, S33, S50, S51, S52, S53, S54, S55, S57, and S59.

I appreciate the significant amount of work that your staff dedicated to getting this SPA approved and the cooperative way in which we achieved this much-desired outcome. If you have any questions concerning this SPA, please contact me at (816)426-5925 or have your staff contact Deborah Read or Barbara Cotterman at (816) 426-5925.

Sincerely,

//s//

Leticia Barraza
Acting Associate Regional Administrator
for Medicaid and Children's Health Operations

Enclosures

■ Individuals qualifying under this eligibil	lity group must meet the following criteria:	
Are parents or other caretaker relati (defined at 42 CFR 435.4) under ag	eves (defined at 42 CFR 435.4), including pregnant women, of dependent childrenge 18. Spouses of parents and other caretaker relatives are also included.	1
The state elects the following option	ns:	
	ndividuals who are parents or other caretakers of children who are 18 years old, me students in a secondary school or the equivalent level of vocational or	
Options relating to the definition	n of caretaker relative (select any that apply):	
The definition of caretaker even after the partnership is	relative includes the domestic partner of the parent or other caretaker relative, sterminated.	
Definition of domestic partner:		
The definition of caretaker half-blood), adoption or ma	relative includes other relatives of the child based on blood (including those of arriage.	
Description of other relatives:	Any blood relative including those of half-blood and including first cousins, first cousins of parents, nephews, or nieces. Relationships to persons of preceding generations as denoted by prefixes of grand, great, or great-great are within this definition; stepfather, stepmother, stepbrother, and stepsister; persons legally adopting a child or adopting the parent of a child, and other relatives by adoption meeting the criteria established for blood relatives.	
The definition of caretaker primary responsibility for the	relative includes any adult with whom the child is living and who assumes he dependent child's care.	
Options relating to the definition	n of dependent child (select the one that applies):	
	e the requirement that a dependent child must be deprived of parental support or physical or mental incapacity, or absence from the home or unemployment of at	

The child must be deprived of parental support or care, but a less restrictive standard is used to measure unemployment of the parent (select the one that applies):
■ Have household income at or below the standard established by the state.
MAGI-based income methodologies are used in calculating household income. Please refer as necessary to S10 MAGI-Based Income Methodologies, completed by the state.
Income standard used for this group
Minimum income standard
The minimum income standard used for this group is the state's AFDC payment standard in effect as of May 1, 1988, converted to MAGI-equivalent amounts by household size. The standard is described in S14 AFDC Income Standards
The state certifies that it has submitted and received approval for its converted May 1, 1988 AFDC payment standard.
An attachment is submitted.
Maximum income standard
The state certifies that it has submitted and received approval for its converted income standard(s) for parents and other caretaker relatives to MAGI-equivalent standards and the determination of the maximum income standard to be used for parents and other caretaker relatives under this eligibility group.
An attachment is submitted.
The state's maximum income standard for this eligibility group is:
The state's effective income level for section 1931 families under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL or amounts by household size.
The state's effective income level for section 1931 families under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL or amounts by household size.
The state's effective income level for any population of parents/caretaker relatives under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL or amounts by household size.
The state's effective income level for any population of parents/caretaker relatives under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL or amounts by household size.
Enter the amount of the maximum income standard:

A percentage of the federal poverty level: \\ \\ \%
The state's AFDC payment standard in effect as of July 16, 1996, converted to a MAGI-equivalent standard. The standard is described in S14 AFDC Income Standards.
The state's AFDC payment standard in effect as of July 16, 1996, increased by no more than the percentage increase in the Consumer Price Index for urban consumers (CPI-U) since such date, converted to a MAGI-equivalent standard. The standard is described in S14 AFDC Income Standards.
The state's TANF payment standard, converted to a MAGI-equivalent standard. The standard is described in S14 AFDC Income Standards.

Presum	ptive Eligibility
The star	te covers children when determined presumptively eligible by a qualified entity.
• Yes	No No
Presu	mptive Eligibility for Children S16
	435.1101 435.1102
	e state provides Medicaid coverage to children when determined presumptively eligible by a qualified entity er the following provisions:

If the state has elected to cover Optional Targeted Low-Income Children (42 CFR 435.229), the income standard for presumptive eligibility is the higher of the standard used for Optional Targeted Low-Income Children or the standard used for Infants and Children under 19 (42 CFR 435.118), for that child's age.

star	ne state has not elected to cover Optional Targeted Low Income Children (42 CFR 435.229), the income adard for presumptive eligibility is the standard used under the Infants and Children under Age 19 eligibility up (42 CFR 435.118), for that child's age.				
	■ Children under the following age may be determined presumptively eligible:				
	Under age 19				
	The presumptive period begins on the date the determination is made.				
	The end date of the presumptive period is the earlier of:				
	The date the eligibility determination for regular Medicaid is made, if an application for Medicaid is filed by the last day of the month following the month in which the determination of presumptive eligibility is made; or				
	The last day of the month following the month in which the determination of presumptive eligibility is made, if no application for Medicaid is filed by that date.				
	Periods of presumptive eligibility are limited as follows:				
	○ No more than one period within a calendar year.				
	○ No more than one period within two calendar years.				
	No more than one period within a twelve-month period, starting with the effective date of the initial presumptive eligibility period.				
	Other reasonable limitation:				
The	state requires that a written application be signed by the applicant, parent or representative, as appropriate.				
•	Yes O No				
	The state uses a single application form for Medicaid and presumptive eligibility, approved by CMS.				
	The state uses a separate application form for presumptive eligibility, approved by CMS. A copy of the application form is included.				
	An attachment is submitted.				
	The presumptive eligibility determination is based on the following factors:				
	■ Household income must not exceed the applicable income standard described above, for the child's age.				
	☐ Citizenship, status as a national, or satisfactory immigration status				
	<u> </u>				
	The state uses qualified entities, as defined in section 1920A of the Act, to determine eligibility presumptively for this eligibility group.

T	This classification does not use an income test (all income is disregarded).
O 1	
	The minimum standard

Individuals in adoptions subsidized in full or part by a public agency
■ Income standard used
■ Minimum income standard
The minimum income standard for this classification of children is the AFDC payment standard in effect as of July 16, 1996, not converted to MAGI-equivalent. This standard is described in S14 AFDC Income Standards.
Maximum income standard
No income test was used (all income was disregarded) for this classification either in the Medicaid state plan as of December 31, 2013, or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013.
• Yes O No
No income test was used (all income was disregarded) for this classification under:
(check all that apply)
☐ The Medicaid state plan as of March 23, 2010.
∑ The Medicaid state plan as of December 31, 2013.
☐ A Medicaid 1115 Demonstration as of March 23, 2010.
☐ A Medicaid 1115 Demonstration as of December 31, 2013.
The state's maximum standard for this classification of children is no income test (all income is disregarded).
■ Income standard chosen
Individuals qualify under this classification under the following income standard:
 This classification does not use an income test (all income is disregarded).
○ The minimum standard
Another income standard higher than both the minimum income standard and the effective income level for this classification in the state plan as of March 23, 2010, converted to a MAGI equivalent.
Other Reasonable Classifications Previously Covered
The state covers reasonable classifications of children <u>not</u> covered in the Medicaid state plan as of March 23, 2010, but covered under the Medicaid state plan as of December 31, 2013 or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013 with an income standard higher than the current mandatory income standard for the age group.
○ Yes No
Additional new age groups or reasonable classifications covered

If the state has <u>not</u> elected to cover the Adult Group (42 CFR 435.119), it may elect to cover additional new age groups or reasonable classifications that have not been covered previously. If the state covers the Adult Group, this additional option is not available, as the standard for the new age groups or classifications is lower than that used for mandatory coverage.

The state does <u>not</u> cover the Adult Group and elects the option to include in this eligibility group additional age groups or reasonable classifications that have not been covered previously in the state plan or under a Medicaid 1115 Demonstration. Any additional age groups or reasonable classifications not previously covered are restricted to the AFDC income standard from July 16, 1996, not converted to a MAGI-equivalent standard.

○ Yes • No

■ There is no resource test for this eligibility group.
