The Facility Based Crisis program must address the age, behavior, and developmental functioning of each recipient to ensure safety, health and appropriate treatment interventions within the program milieu. The facility must ensure the physical separation of children from adolescents by living quarters, common areas, and in treatment, etc. If adults and children are receiving services in the same building, the facility must ensure complete physical separation between adults and children. All facilities serving both children and adults shall have 16 beds or less. Each facility must be staffed at a minimum of a psychiatrist, a registered nurse (24 hours/day), and an additional licensed professional. A physician is available 24/7 and must conduct a psychiatric assessment within 24 hours of admission. A registered nurse must conduct a nursing assessment on admission and oversee the monitoring of patient's progress and medications. A licensed professional must conduct a comprehensive clinical assessment upon admission. Treatment interventions may be performed by all staff based on their qualifications and/or scope of practice. Aftercare planning may be performed by any Qualified Professional.

This service must be ordered by an MD, NP, PA or PhD psychologist. Prior approval will be required via the statewide UR vendor or by an approved LME contracted with the Medicaid Agency and meeting the same standards and requirements as the statewide vendor. This initial prior approval process will ensure that the level of the service is appropriate and concurrent reviews will determine the ongoing medical necessity for the service or the need to move up or down the continuum of services to another level of care. Documentation must include: a service note that includes the recipient's name, Medicaid identification number, date of service, purpose of contact, describes the provider's interventions, includes the time spent performing the interventions, effectiveness of the intervention, and the signature of the staff providing the service. Facility Based Crisis is not available for:

- a. room and board services;
- b. educational, vocational and job training services;
- c. habilitation services;
- d. services to inmates in public institutions as defined in 42 CFR §435.1010;
- e. services to individuals residing in institutions for mental diseases as described in 42 CFR§435.1010;
- f. recreational and social activities; and
- g. services that must be covered elsewhere in the state Medicaid plan.
