4.19 (m) Medicaid Reimbursement for Administration of Vaccines Under the Pediatric Immunization Program

1928 (c) (2)
(C) (ii) of the Act

(i) A provider may impose a charge for the administration of a qualified pediatric vaccine as stated in 1928(c) (ii) of the Act. Within this overall provision, Medicaid reimbursement to providers will be administered as follows:

(ii) The State:

- sets a payment rate at the level of the regional maximum established by the DHHS Secretary.
- is a Universal Purchase State and sets a payment rate at the level of the regional maximum established in accordance with State law.
- sets a payment rate below the level of the regional maximum established by the DHHS Secretary.

The reimbursement rates are the same for both public and private providers. Administration fees will be updated by annual or periodic adjustments to the professional services fee schedule.

The reimbursement rate for initial immunization administrations is \$13.90; for subsequent immunization vaccine administration \$11.02; and for subsequent intranasal/oral vaccine administration \$8.93.

- is a Universal Purchase State and sets a payment rate below the level of the regional maximum established by the Universal purchase State.
