RE: Nebraska State Plan Amendment TN: 11-13

Dear Ms. Chaumont:

We have reviewed the proposed amendment to Attachment 4.19-A of your Medicaid State plan submitted under transmittal number (TN) 11-13. This amendment reduces inpatient psychiatric service payment rates by 2.5 percent, with the exception of psychiatric residential treatment facility rates, which are held budget neutral. This amendment also provides that pharmacy and physician services provided in and by the PRTF and on the resident's active treatment plan will be reimbursed separately at the fee schedule rates consistent with Attachment 4.19-B. All services provided in and by the PRTFs are claimed to CMS as mental health facility services on line 2.A of the CMS-64 quarterly expenditure report.

We conducted our review of your submittal according to the statutory requirements at sections 1902(a)(13), 1902(a)(30), and 1903(a) of the Social Security Act and the implementing Federal regulations at 42 CFR 447 Subpart C. This is to inform you that Medicaid State plan amendment 11-13 is approved effective July 1, 2011. We are enclosing the HCFA-179 and the amended plan pages.

If you have any questions, please call Tim Weidler at (816) 426-6429.

Sincerely,
