Center for Medicaid and State Operations, CMSO

MAR 1 7 2010

Deputy Commissioner New York State Department of Health Corning Tower Empire State Plaza Albany, New York 12237

RE: TN 09-68

Donna Frescatore

Dear Ms. Frescatore:

We have reviewed the proposed amendment to Attachment 4.19-D of your Medicaid State plan submitted under transmittal number (TN) 09-68. Effective January 1, 2010, this amendment reduces the 2010 trend factor projection to zero for nursing home payment rates for services provided between January 1 and March 31, 2010 (except for facilities that provide extensive nursing, medical, psychological and counseling services to children).

We conducted our review of your submittal according to the statutory requirements at sections 1902(a)(2) 1902(a)(13), 1902(a)(30), 1903(a), and 1923 of the Social Security Act and the regulations at 42 CFR 447 Subpart C. I am pleased to inform you that New York 09-68 is approved effective January 1, 2010 and have enclosed the HCFA-179 and the approved plan pages.

If you have any questions, please contact Tom Brady at 518-396-3810 or Rob Weaver at 410-786-5914.

Sincerely,

Director

Center for Medicaid and State Operations (CMSO)

Attachment 4.19-D (04/09)

- (k) For rates of payment effective for nursing home services provided on and after January 1, 2009 through March 31, 2009, the otherwise final trend factor attributable to the 2008 calendar year period shall be adjusted such that any increase to the average trend factor for the period April 1, 2008 through December 31, 2008 shall be reduced, on an annualized basis, by 1.3% and no retroactive adjustment to such 2008 trend factor shall be made for the period April 1, 2008 through December 31, 2008. Effective on and after April 1, 2009, the otherwise applicable final trend factor attributable to the 2008 calendar year period shall be zero.
- (I) For rates of payment effective for nursing home services provided on and after January 1, 2009 through March 31, 2009, a trend factor equal to the otherwise applicable trend factor attributable to the period January 1, 2009 through December 31, 2009, as calculated in accordance with paragraph (f) of this section, less 1% shall be applied. Effective on and after April 1, 2009, the otherwise applicable trend factor attributable to the 2009 calendar year period shall be zero.
- (m) For rates of payment effective for nursing home services provided for the period January 1, 2010 through March 31, 2010, the otherwise applicable trend factor attributable to the 2010 calendar year period shall be zero.

Effective July 1, 1994, payment rates for the 1994 rate setting cycle will be calculated using the proxy data described in this section that is available through the third quarter of 1993. Proxy data, which becomes available subsequent to the third quarter of 1993, will not be considered in setting or adjusting 1994 payment rates.

*This means that since the rates for the April 1, 1996 through March 31, 1997 period are based on 1983 base year costs trended to this period, the rate impacts of any differences between, say, the final value of the 1995 trend factor and the preliminary 1995 trend factor value that may have been used when initially calculating the rate, would be incorporated into the rates for the April 1, 1996 through March 31, 1997 rate period.

TN <u>#09-68</u>	Approval Date	MAR 1 7 2010
Supersedes TN <u>#09-45</u>	Effective Date	JAN - 1 2010
