**Detail:** Effective for services on or after October 1, 2012, this amendment increases the per diem rate for the ICF-MR outlier provider Sunshine/King Road Family Care Home. Funding the non-federal share of these payments comes from state appropriations and provider tax (franchise permit fee). There are no issues with the UPL. The state met public process requirements. There are no tribes in Ohio.

**Other Considerations:** This plan amendment has not generated significant outside interest and we do not recommend the Secretary contact the governor.

**Recovery Act Impact:** The Regional office has reviewed this state plan amendment in conjunction with the Recovery Act and, based on the available information provided by the State regarding 1) MOE; 2) local match; 3) prompt pay; 4) rainy day funds, and 5) eligible expenditures, the Regional Office believes that the State is not in violation of the Recovery Act requirements noted above.
