Dear Dr. Splinter:

We have reviewed the proposed amendment to your Medicaid State Plan submitted under Transmittal Number 10-12. Effective September 30, 2010, this state plan amendment allows the State to implement the required Asset Verification System (AVS) for the purpose of determining eligibility for the aged, blind, and disabled Medicaid recipients in accordance with 1940 of the Social Security Act.

In the future, when the State submits a State Plan Amendment (SPA) that may impact Indians or Indian health providers, CMS will look for evidence of the State's tribal consultation process for that SPA. Pursuant to section 1902 (a) (73) of the Act added by section 5006 (e) of the Recovery and Reinvestment Act of 2009, the State must submit evidence to CMS regarding the solicitation of advice prior to submission of the SPA. This consultation must include all federally recognized tribes, Indian Health Service and Urban Indian Organizations within the state.

Transmittal Number 10-12 is approved with an effective date of September 30, 2010 as requested. A copy of the HCFA-179, Transmittal No. 10-12 dated March 31, 2010 is enclosed along with the approved plan pages.

If you have any questions, please contact Scott Harper at (214) 767-6564.

Sincerely,

Bill Brooks
