RE: Oregon State Plan Amendment Transmittal Number 10-002

Dear Dr. Goldberg:

The Centers for Medicare & Medicaid Services (CMS) has completed its review of the Oregon State Plan Amendment (SPA) Transmittal Number 10-002.

This amendment was submitted by the State to add a targeted case management (TCM) program for clients with poorly controlled asthma or a history of environmentally induced respiratory distress.

This SPA is approved effective July 1, 2010, as requested by the State.

If you have any questions concerning this SPA, please contact me, or have your staff contact Wendy Hill Petras at (206) 615-3814 or wendy.hillpetras@cms.hhs.gov.

Sincerely,

/s/
