Mr. Billy Millwee Associate Commissioner for Medicaid & CHIP Health and Human Services Commission Post Office Box 13247 Mail Code: H100 Austin, Texas 78711

Dear Mr. Millwee:

We have reviewed the State's proposed amendment to the Texas State Plan submitted under Transmittal Number 07-032, dated August 28, 2007. This amendment adds outpatient services into the supplemental payment calculation for non-state owned rural public hospitals.

Additionally, please note that when the State submits a State Plan Amendment (SPA) that may impact Indians or Indian health providers, CMS will look for evidence of the State's Tribal consultation process for that SPA. Pursuant to the new section 1902(a) (73) of the Act added by section 5006(e) of the American Recovery and Reinvestment Act (ARRA) of 2009, the State must submit evidence to CMS regarding the solicitation of advice prior to submission of the State Plan Amendment. Such consultation must include all federally-recognized tribes, Indian Health Service and Urban Indian Organizations within the State.

Based on the information submitted, we have approved the amendment for incorporation into the official Texas State Plan with an effective date change of September 1, 2007. A copy of the CMS-179 and the approved plan pages are enclosed with this letter.

If you have any questions, please contact Ford J. Blunt at (214) 767-6381.

Sincerely,

Bill Brooks Associate Regional Administrator

State of Texas Attachment 4.19-B Page 2aa

- (8) Notwithstanding other provisions of this attachment, supplemental payments will be made each state fiscal year in accordance with this subsection to eligible hospitals that serve a high volume of Medicaid and uninsured patients.
 - (a) Supplemental payments are available under this subsection for outpatient services provided by a publicly-owned hospital or hospital affiliated with a hospital district in Bexar, Dallas, Ector, El Paso, Harris, Lubbock, Midland, Nueces, Potter, Randall, Tarrant, and Travis on or after July 6, 2001. Supplemental payments will be made for outpatient services on or after June 11, 2005 for Midland, Potter, and Randall Counties.
 - (b) The supplemental payments described in this subsection will be made in accordance with the applicable regulations regarding the Medicaid upper limit provisions codified at 42 C.F.R. §447.321.
 - (1) In each county listed in paragraph (8)(a) of this section, the hospital or hospital affiliated with the hospital district will be eligible to receive supplemental high volume outpatient payments.
 - (2) The supplemental payments authorized under this subsection are subject to the following limits:
 - (i) Except for hospitals eligible under (8)(c), in each state fiscal year the amount of any inpatient supplemental payments and outpatient supplement payments may not exceed the hospital's "hospital specific limit," as determined under Appendix I to Attachment 4.19-A (relating to Reimbursement to Disproportionate Share Hospitals [DSH]) for DSH hospitals; and
 - (ii) The amount of outpatient supplemental payments and fee-for-service Medicaid outpatient payments the hospital receives in a state fiscal year may not exceed Medicaid billed charges for outpatient services provided by the hospital to fee-for-service Medicaid recipients.
 - (c) Notwithstanding the provisions of subsections (8)(a) and (8)(b)(1) above, all hospitals that are eligible to receive funding under section (t)(4) of Attachment 4.19-A shall also be eligible to receive funding under section (8). Supplemental payments will be made for outpatient services on or after June 11, 2005 for eligible hospitals in Hidalgo, Maverick, Montgomery, Travis, Bexar, and Webb Counties. Supplemental payments will be made for outpatient services on or after November 12, 2005 for all other eligible hospitals under the terms of this subsection.
 - (d) Notwithstanding the provisions of subsections (8)(a) and (8)(b)(1) above, all hospitals that are eligible to receive funding under section (v) of Attachment 4.19-A shall also be eligible to receive funding under section (8). Supplemental payments will be made for outpatient services on or after September 1, 2007.
 - (e) An eligible hospital will receive quarterly supplemental payments. The quarterly payments will be one-fourth of:
 - (1) The difference between the hospital's Medicaid fee-for-service outpatient Medicaid payments received and 100% of Medicaid allowable outpatient hospital cost. Medicaid payments and cost will be based on a twelve consecutive-month period of fee-for-service claims data selected by HHSC.
 - (f) For purposes of calculating the "hospital specific limit" under this subsection, the "cost of services to uninsured patients" and "Medicaid shortfall," as defined by Appendix I to Attachment 4.19-A, the amount of Medicaid payments (including inpatient and outpatient supplemental payments) that exceed Medicaid cost will be subtracted from the "cost of services to uninsured patients" to ensure that during any state fiscal year, a hospital does not receive more in total Medicaid payments (inpatient and outpatient rate payments, graduate medical education payments, supplemental payments and disproportionate share hospital payments) than their cost of serving Medicaid patients and patients without health insurance.
