RE: Utah #13-008

Dear Dr. Patton:

We have reviewed the proposed State Plan Amendment (SPA) submitted under transmittal number (TN) 13-008. This State Plan Amendment modifies the current psychologist section of the State Plan to remove outdated and duplicative language. As a result of these changes the psychologist sections of the State Plan will specify services that may be provided to Medicaid recipients whose conditions are not covered under the section on rehabilitative mental health services.

Please be informed that this State Plan Amendment was approved today with an effective date of July 1, 2013. We are enclosing the CMS-179 and the amended plan page(s).

If you have any questions concerning this amendment, please contact Mandy Strom at (303) 844-7068.

Sincerely,

/s/
