RE: Utah #13-021

Dear Dr. Patton:

We have reviewed the proposed State Plan Amendment (SPA) submitted under transmittal number (TN) 13-021. This SPA broadens access to podiatric services by including a provision that allows podiatrists along with physicians and osteopaths to perform podiatric services for categorically and medically needy clients. The agency also refers to the Podiatric Services Provider Manual for descriptions of service limitations.

Please be informed that this State Plan Amendment was approved today with an effective date of July 1, 2013. We are enclosing the CMS-179 and the amended plan page(s).

If you have any questions concerning this amendment, please contact Mandy Strom at (303) 844-7068.

Sincerely,

/s/

Richard C. Allen Associate Regional Administrator Division for Medicaid and Children's Health

### F. PODIATRISTS

Except as otherwise noted in the plan, state developed fee schedule rates are the same for both governmental and private providers of podiatric services. The amount billed cannot exceed usual and customary charges. The agency's rates were set in accordance with the methodology described in Section D "Physicians," and are effective for services on or after the date noted in Section D.

Payments for covered podiatric services are based on the established fee schedule unless a lower amount is billed. All rates are published on the agency's website at <a href="http://health.utah.gov/medicaid/">http://health.utah.gov/medicaid/</a>.
