RE: Utah #13-030

Dear Dr. Patton:

We have reviewed the proposed State Plan Amendment (SPA) submitted under transmittal number (TN) 13-030. This State Plan Amendment facilitates client access to dental services by requiring dental providers in the urban counties of Utah, who wish to be reimbursed at an enhanced rate, to sign an agreement to see 100 or more clients during a one year period.

Please be informed that this State Plan Amendment was approved today with an effective date of September 15, 2013. We are enclosing the CMS-179 and the amended plan page(s).

In addition, we are enclosing a request for a companion SPA to UT-13-030 that will address a coverage issue that will require additional information and revisions to the State Plan.

If you have any questions concerning this amendment, please contact Mandy Strom at (303) 844-7068.

Sincerely,

/s/
