RE: Utah #14-0035-MM1

Dear Dr. Patton:

We have reviewed the proposed MAGI State Plan Amendment (SPA) submitted under transmittal number (TN) 14-0035-MM1. This SPA removes the presumptive eligibility for children program in Utah. This program was only utilized for a small number of foster care children and is being discontinued due to low/no enrollment. Children can still access presumptive eligibility through the Hospital PE program.

Please be informed that this State Plan Amendment was approved November 17, 2014 with an effective date of October 1, 2014. We are enclosing the Summary Form (similar to the CMS-179) and the amended plan page(s).

If you have any questions concerning this amendment, please contact Ann Clemens at (303) 844-2125.

Sincerely,

/s/

Mary Marchioni  
Acting Associate Regional Administrator  
Division for Medicaid and Children's Health

CC: Michael Hales, Medicaid Director, UT  
Craig Devashrayee, UT

# Medicaid Eligibility

OMB Control Number 0938-1148

OMB Expiration date: 10/31/2014

## Eligibility Groups - Mandatory Coverage Infants and Children under Age 19

S30

42 CFR 435.118  
1902(a)(10)(A)(i)(III), (IV), (VI) and (VII)  
1902(a)(10)(A)(ii)(IV) and (IX)  
1931(b) and (d)

**Infants and Children under Age 19** - Infants and children under age 19 with household income at or below standards established by the state based on age group.

The state attests that it operates this eligibility group in accordance with the following provisions:

Children qualifying under this eligibility group must meet the following criteria:

Are under age 19

Have household income at or below the standard established by the state.

MAGI-based income methodologies are used in calculating household income. Please refer as necessary to S10 MAGI-Based Income Methodologies, completed by the state.

Income standard used for infants under age one

Minimum income standard

The state had an income standard higher than 133% FPL established as of December 19, 1989 for determining eligibility for infants under age one, or as of July 1, 1989, had authorizing legislation to do so.

Yes  No

The minimum income standard for infants under age one is 133% FPL.

Maximum income standard

The state certifies that it has submitted and received approval for its converted income standard(s) for infants under age one to MAGI-equivalent standards and the determination of the maximum income standard to be used for infants under age one.

**An attachment is submitted.**

The state's maximum income standard for this age group is:

The state's highest effective income level for coverage of infants under age one under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(IV) (mandatory poverty level-related infants), 1902(a)(10)(A)(ii)(IX) (optional poverty level-related infants) and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

# Medicaid Eligibility

- The state's highest effective income level for coverage of infants under age one under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(IV) (mandatory poverty level-related infants), 1902(a)(10)(A)(ii)(IX) (optional poverty level-related infants) and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.
- The state's effective income level for any population of infants under age one under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.
- The state's effective income level for any population of infants under age one under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.
- 185% FPL

Income standard chosen

The state's income standard used for infants under age one is:

- The maximum income standard

If not chosen as the maximum income standard, the state's highest effective income level for coverage of infants under age one under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(IV) (mandatory poverty level-related infants), 1902(a)(10)(A)(ii)(IX) (optional poverty level-related infants) and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

- If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, and if not chosen as the maximum income standard, the state's highest effective income level for coverage of infants under age one under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(IV) (mandatory poverty level-related infants), 1902(a)(10)(A)(ii)(IX) (optional poverty level-related infants) and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

- If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, and if not chosen as the maximum income standard, the state's effective income level for any population of infants under age one under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

- If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, and if not chosen as the maximum income standard, the state's effective income level for any population of infants under age one under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

- Another income standard in-between the minimum and maximum standards allowed, provided it is higher than the effective income standard for this age group in the state plan as of March 23, 2010.

The amount of the income standard for infants under one is:  % FPL

Income standard for children age one through age five, inclusive

Minimum income standard

# Medicaid Eligibility

The minimum income standard used for this age group is 133% FPL.

Maximum income standard

- The state certifies that it has submitted and received approval for its converted income standard(s) for children age one through five to MAGI-equivalent standards and the determination of the maximum income standard to be used for children age one through five.

**An attachment is submitted.**

The state's maximum income standard for children age one through five is:

- The state's highest effective income level for coverage of children age one through five under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(VI) (mandatory poverty level-related children age one through five), and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

- The state's highest effective income level for coverage of children age one through five under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(VI) (mandatory poverty level-related children age one through five), and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

- The state's effective income level for any population of children age one through five under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

- The state's effective income level for any population of children age one through five under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

Enter the amount of the maximum income standard:  % FPL

Income standard chosen

The state's income standard used for children age one through five is:

- The maximum income standard

- If not chosen as the maximum income standard, the state's highest effective income level for coverage of children age one through five under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(VI) (mandatory poverty level-related children age one through five), and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

- If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, and if not chosen as the maximum income standard, the state's highest effective income level for coverage of children age one through five under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(VI) (mandatory poverty level-related children age one through five), and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

# Medicaid Eligibility

If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, and if not chosen as the maximum income standard, the state's effective income level for any population of children age one through five under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, and if not chosen as the maximum income standard, the state's effective income level for any population of children age one through five under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

Another income standard in-between the minimum and maximum standards allowed, provided it is higher than the effective income standard for this age group in the state plan as of March 23, 2010.

Income standard for children age six through age eighteen, inclusive

Minimum income standard

The minimum income standard used for this age group is 133% FPL.

Maximum income standard

The state certifies that it has submitted and received approval for its converted income standard(s) for children age six through eighteen to MAGI-equivalent standards and the determination of the maximum income standard to be used for children age six through age eighteen.

**An attachment is submitted.**

The state's maximum income standard for children age six through eighteen is:

The state's highest effective income level for coverage of children age six through eighteen under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(VII) (mandatory poverty level-related children age six through eighteen) and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

The state's highest effective income level for coverage of children age six through eighteen under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(VII) (mandatory poverty level-related children age six through eighteen) and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

The state's effective income level for any population of children age six through eighteen under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

The state's effective income level for any population of children age six through eighteen under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

133% FPL

Income standard chosen

The state's income standard used for children age six through eighteen is:

# Medicaid Eligibility

The maximum income standard

If not chosen as the maximum income standard, the state's highest effective income level for coverage of children age six through eighteen under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(VII) (mandatory poverty level-related children age six through eighteen) and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, and if not chosen as the maximum income standard, the state's highest effective income level for coverage of children age six through eighteen under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(VII) (mandatory poverty level-related children age six through eighteen) and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, and if not chosen as the maximum income standard, the state's effective income level for any population of children age six through eighteen under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, and if not chosen as the maximum income standard, the state's effective income level for any population of children age six through eighteen under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

Another income standard in-between the minimum and maximum standards allowed, provided it is higher than the effective income standard for this age group in the state plan as of March 23, 2010.

There is no resource test for this eligibility group.

Presumptive Eligibility

The state covers children when determined presumptively eligible by a qualified entity.

Yes  No
