Q. AUDIOLOGY

The fees are established by using the physicians' fee schedule methodology described in Section D "Physicians," Page 4 of ATTACHMENT 4.19-B.

Except as otherwise noted in the plan, state developed fee schedule rates are the same for both governmental and private providers of these services. The agency's rates were set in accordance with the methodology described in Section D "Physicians", and are effective for services on or after July 1, 2016. Payments for covered audiology services are based on the established fee schedule unless a lower amount is billed. All rates are published on the agency's website at <https://medicaid.utah.gov/>.
