Cynthia B. Jones, Director Department of Medical Assistance Services 600 East Broad Street, Suite 1300 Richmond, VA 23219

Dear Ms. Jones:

We have reviewed State Plan Amendment (SPA) 14-016, No Inflation for Home Health and Outpatient Rehabilitation Services; Durable Medical Equipment Medicare Competitive Bids; Clinical Laboratory Fees. Virginia SPA 14-016 proposes to eliminate adjustments for inflation for home health services and outpatient rehabilitation facilities. This SPA also modifies the reimbursement methodology if the durable medical equipment (DME) item has a Durable Medical Equipment Regional Carrier (DMERC) rate. The reimbursement rate shall be the DMERC rate minus 10% or the average of the Medicare competitive bid rates for all providers in Virginia markets. For dates of service on or after July 1, 2014, DME items subject to the Medicare competitive bidding program shall be reimbursed the lower of the current DMERC rate minus 10% or the average of the Medicare competitive bid rates in Virginia markets. In addition, this SPA indicates that the agency's rates for clinical laboratory services were set as of July 1, 2014, and are effective for services on or after that date.

This SPA is acceptable. Therefore, we are approving SPA 14-016 with an effective date of July 1, 2014. Enclosed are the approved SPA pages and signed CMS-179 form.

If you have further questions about this SPA, please contact Margaret Kosherzenko of my staff at 215-861-4288.

Sincerely,

/S/

Francis McCullough Associate Regional Administrator
