THE PROGRAM UNDER THE PLAN (cont.)

A. Home Health

 Home Health Agencies are reimbursed per-visit for services provided by acute nursing staff, physical therapy, occupational therapy, speech, hearing and language disorders therapy staff, and home health aides.

Reimbursement rates are determined using a historical base for the per-visit rates by profession, using the Medicare Metropolitan Statistical Area fees. Each year the State updates those per-visit rates using the state's annually published vendor rate adjustment factor.

The Medicaid agency pays the lesser of the usual and customary charge or a fee based on a Medicaid agency fee schedule for these services.

Except as otherwise noted in the plan, payment for these services is based on state-developed fee schedule rates, which are the same for both governmental and private providers of Home Health. The agency's rates were set as of September 4, 2014 and are effective for services rendered on or after that date. All rates, including current and prior rates, are published and maintained on the agency's website. The fee schedule can be found at http://www.hca.wa.gov/medicaid/rbrvs/Pages/index.aspx

2. Other Home Health-Related Services and Supplies

Oxygen and respiratory therapy services are paid by the Medicaid agency at the lesser of the usual and customary charge or a fee based on a Medicaid agency fee schedule.

Medical nutrition and related equipment rentals/purchases and supplies, are paid by the Medicaid agency at the lesser of the usual and customary charge or a fee based on a Medicaid agency fee schedule.

Home infusion-parenteral nutrition equipment and supplies are paid by the Medicaid agency at the lesser of the usual and customary charge or a fee based on a Medicaid agency fee schedule.

Except as otherwise noted in the plan, payment for other home health-related services and supplies is based on state-developed fee schedule rates, which are the same for both governmental and private providers of other home health-related services and supplies. The agency's rates were set as of September 4, 2014 and are effective for services rendered on or after that date. All rates, including current and prior rates, are published and maintained on the agency's website. The fee schedule can be found at http://www.hca.wa.gov/medicaid/rbrvs/Pages/index.aspx
