MEDICAID DRUG REBATE PROGRAM

Release No. 11

NOTE TO: All State Medicaid Directors

\* \* \* IMMEDIATE ATTENTION REQUIRED \* \* \*

Attached to this notice is a two-page listing of all "1A" drugs that have been approved since 1977 by the Food and Drug Administration. Most of these drugs are already covered by Medicaid because the manufacturers that make them are participating in the rebate program. Those made by non-participating manufacturers are only covered by the Health Care Financing Administration under the Medicaid program because they are "1A" drugs. All other drugs manufactured by non-participating manufacturers are not covered.

We also have included one more manufacturer in the drug rebate program retroactively effective for the period beginning January 1. The correspondence for this labeler code was misfiled and just discovered. The new labeler code is 50564 and belongs to Jerome Stevens Pharmaceuticals, Inc. The contact information is attached. We ask that you disseminate this information to the pharmacy community as soon as possible. The name and address of the company is as follows:

Jerome Stevens Pharmaceuticals, Inc.  
60 Davinci Drive  
Bohemia, New York 11716  
Telephone: (516) 567-1113

Please continue to refer your questions to us by using the Drug Rebate Hotline number at (301) 966-3249.
