MEDICAID DRUG REBATE PROGRAM

Release No. 27

*** * * IMMEDIATE ATTENTION REQUIRED * * ***

NOTE TO: All State Medicaid Directors

MANUFACTURER NAME AND ADDRESS CONTACT INFORMATION DISKETTE

Enclosed is a diskette with the latest version of drug labeler names, addresses and telephone numbers of the legal, financial and technical contacts. All information is current as of January 20, 1993. This diskette, as usual, contains two files. The first is called LABCONT.RPT and is in a report format that can be read and printed by using WordPerfect. The second is called LABCONT.TXT and is a "flat" file that can be used in text format.

We expect this to be the last time we will need to send this information on individual diskettes. Effective with the quarterly update for 93-1, we will include a separate, updated file on the tape/cartridge each and every quarter. The name of this file will be:

FOR DATA CARTRIDGES: FOREIGN.FCCART.LABELER.CONTACT

FOR MAGNETIC TAPES: FOREIGN.FSTAPE.LABELER.CONTACT

The data set can be downloaded as a print file from your mainframe. The record layout is attached.

We believe this is a better way to send the updated file as there have been problems in processing the diskette by some of the States. This is why we have had to send the file as both text and flat files on the diskette. If anyone thinks this new way will cause a problem, please contact Al Beachley, of my staff, as soon as possible. Al can be reached on (410) 966-3325.

NEW LABELER CODE

The following drug company signed a rebate agreement which will be effective on April 1, 1993:

TMK Pharmaceuticals (Labeler Code 59582) - contact information is attached.

TERMINATED DRUG LABELER

The American Way, Incorporated (Labeler Code 57549) is being terminated effective March 21, 1993. This date is 60 days from the date of the termination letter just mailed to the company. We were unable to contact officials of this company since their telephone service was disconnected and all mail was returned to us as undeliverable.

Please continue to contact us for all other concerns by using the Drug Rebate Hotline at (410) 966-3249.
