

Medicaid and CHIP Disaster Relief MAGI-Based Verification Plan Addendum

The State Medicaid and CHIP agencies will implement the following changes to its policies and procedures described in this MAGI-based verification plan addendum, which are different from the policies and procedures otherwise applied under the state’s current MAGI-based verification plan, during the following period: March 1, 2020, through the end of the state’s 12-month unwinding period (as defined in SHO # 22-001) except where otherwise noted

Check off each item and fill in the requested information if the state is electing the flexibility. Only indicate areas that are changes to your current verification plan elections. Do not check off the item if you currently use the indicated flexibility. For example, if the state currently accepts attestation of residency, that item does not need to be checked off in this addendum. For additional information regarding disaster-related verification flexibilities, refer to the [CMS Disaster Preparedness Toolkits](#).

STATE: Nevada

Effective Date: March 1, 2020 through the end of the state’s 12-month unwinding period (as defined in SHO # 22-001) except where otherwise noted

Section A – Verification Procedures for Factors of Eligibility

Income-related Verification Processes - Reasonable Compatibility and Documentation:

The agency will utilize a reasonable compatibility standard threshold as follows (percent and/or dollar threshold): **20% effective January 1, 2023 through the end of the state’s 12-month unwinding period (as defined in SHO # 22-001).**

The agency will accept self-attestation without additional verification of income under the circumstances specified here (note: changes in use of data sources are included in Section B below):
