

Disabled and Elderly Health Programs Group

January 15, 2021

Kate Massey, Director
Medical Services Administration
400 S. Pine Street, 7th Floor
Lansing, Michigan 48909-7979

Dear Ms. Massey:

I am writing to inform you that the Centers for Medicare & Medicaid Services (CMS) has reviewed your state's Electronic Visit Verification (EVV) Compliance Survey submission and determined, based on the information you provided, that Michigan does not meet the requirements specified in section 1903(l) of the Social Security Act, as added by Section 12006(a) of the 21st Century Cures Act, for personal care services rendered in some or all applicable authorities available within your state. The non-compliant programs include the following:

- Section 1905(a)(24) state plan personal care benefit
- Section 1915(c) home and community based services waivers
- Section 1915(i) home and community based services state plan option
- Section 1115 demonstration projects
- Other authorities (to the extent they operate concurrently with the authorities listed above): Section 1915(b)(1), 1915(b)(2), and 1915(b)(4) managed care waivers.

The state reported to CMS that it has not been adequately funded to implement an EVV solution at this time. The state is developing a Request for Proposals for an EVV solution and will move forward once its legislature appropriates sufficient funding.

Because your state has not demonstrated that it complies with all EVV requirements as specified by the statute, CMS must apply federal medical assistance percentage (FMAP) reductions to personal care service expenditures for the authorities and/or programs listed above, beginning in the first calendar quarter of 2021, consistent with the requirements of 1903(l)(1)(A) of the Act. For each quarter during which the state is not compliant, FMAP will be reduced by 0.5 percentage points for calendar quarters in 2021; by 0.75 percentage points for calendar quarters in 2022; and by 1 percentage point for calendar quarters in 2023 and each year thereafter.

Because FMAP reductions are assigned each quarter, you are encouraged to review your survey information on a quarterly basis and update your response when you achieve compliance in any or all authorities to ensure FMAP reductions are lifted in a timely manner. Should the state deliver personal care services in any additional Medicaid authorities other than listed above at a point in the future the state is also responsible for updating its compliance survey.

Ms. Massey – Page Two

I have included the state's current EVV Compliance Survey submission with this letter. If you need assistance, please feel free to contact the CMS EVV mailbox at evv@cms.hhs.gov.

Sincerely,

Alissa Mooney DeBoy, Director
