Cheryl Roberts, Director
Virginia Department of Medical Assistance Services
600 East Broad Street, Suite 1300
Richmond, VA 23219

Dear Director Roberts:

This letter and accompanying attachment represent the Centers for Medicare & Medicaid Services (CMS) approved corrective action plan (CAP) for the State of Virginia to bring settings into compliance with the federal home and community-based services (HCBS) regulations found at 42 CFR §441.301(c)(4)-(5). The CAP is effective March 17, 2023.

The CAP provides the state with additional time to bring settings into compliance with the regulatory criteria directly impacted by the COVID-19 public health emergency. For remaining HCBS settings regulations not subject to the CAP, the state and all settings are expected to be fully compliant by the end of the transition period on March 17, 2023.

The state will report to CMS on progress with activities, milestones, and timeframes outlined in the attachment. Full compliance is achieved when all Medicaid-funded HCBS is rendered in a compliant setting. Closure of the CAP will be granted after the state completes the activities described in the attachment, at which point the state will be in full compliance with all HCBS settings provisions of the regulation.

It is important to note that CMS approval of a CAP solely addresses the state's compliance with the applicable Medicaid authorities. CMS approval does not address the state's independent and separate obligations under the Americans with Disabilities Act, Section 504 of the Rehabilitation Act or the Supreme Court's *Olmstead v. LC* decision. Guidance from the Department of Justice concerning compliance with the Americans with Disabilities Act and the *Olmstead* decision is available at: http://www.ada.gov/olmstead/q&a_olmstead.htm.

Thank you for your efforts in establishing a CAP and completing this work to ensure all settings are in compliance with the federal HCBS regulations. If you have questions or need further assistance, please contact Ondrea Richardson at ondrea.richardson@cms.hhs.gov or 410-786-4606.

Sincerely,

Melissa Harris, Deputy Director
