Children with Special Health Care Needs (CSHCN) are mandatory in all COHS counties except Ventura. CSHCN is voluntary in Ventura. Personal Care Services covered under managed care only in MLTSS Eligible Beneficiary Authorized Orange County.	San Benito is voluntary due to only one commercial plan in the county. Personal Care Services are covered services under the Regional Model, but since Regional does not include any of the MLTSS Counties (Alameda, Los Angeles, Orange, San Bernardino, San Diego, San Mateo, Santa Clara, and Riverside), this benefit is not marked under the Benefits Covered section. In non-COHS plan model types ICF-DD and nursing facility benefits are only covered for a limited period of time (month of admission plus 1 month) and then the member is disenrolled to FFS.	Full duals are mandatory for managed care enrollment in CCI Counties (San Diego) and voluntary for all other counties (Sacramento). In non-COHS plan model types ICF-DD and nursing facility benefits are only covered for a limited period of time (month of admission plus 1 month) and then the member is disenrolled to FFS.
